PRESERVED WITH PRIDE BY
THE BRITISH STATES NAVY
RESOLUTION SERVICE

The first day of school
is always a special day for
the children. They are
excited and nervous.
The school is a place
of learning and growth.
It is a place where
children can learn to
read, write, and think.
It is a place where
they can learn to work
with others and to
solve problems. The
school is a place where
children can learn to
be responsible and
to take pride in their
work. It is a place
where they can learn
to be good citizens.
The school is a place
where children can
learn to love learning
and to love their
school. It is a place
where they can learn
to be happy and
to be successful.

MR. C. L. COUVILLON

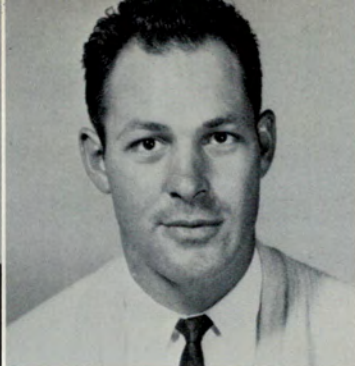

The one who came to greet us
That first September day.
The one who's always helped
In every sort of way.
That someone who has guided
And watched us to the end.
The one Whom we'll remember
Our Principal, and friend.

and
Favorites of Bunkie High School

With pride the 1964 Bunavola announces Mr. and Miss B.H.S. and Favorites. These young ladies and gentlemen were elected by popular vote. The leading characteristics considered were personality, character, and leadership.

Our 1964 Miss B.H.S. is Audrey Rabalais. She is past state president of the F.H.A., was president of her junior class, and is our present Homecoming Queen.

Our Mr. B.H.S. is Tucker Melancon. Tucker was a favorite last year. He is a varsity football player and captain of our team.

The 1963-64 Junior-Senior Prom was a great success. Under the direction of our class president, Audrey Rabalais, the various committees did a wonderful job of decorating the gym and preparing for the guests.

The theme was Oriental, and the decorations were appropriate. The bamboo house (pictured above), the scrolls, and the Chinese lettering fit beautifully into the plan.

The music was provided by "The Swing Kings," who did a terrific job!

Everyone enjoyed himself thoroughly, and is looking forward to this year's prom.
