

Gift Card Order

Orders Almost Every Monday

Orders are due Monday by 12pm! You can send your order with your child. Orders will be sent home on Friday of the same week! If there is no school on a Monday, then an order will not be placed that week.

How Does It Work?

Companies offer us a % discount on cards purchased. We can then use that money earned to give back to teachers, through grants, to purchase necessary supplies for their classrooms! You also earn 2% back for registration fees! If no registration fees apply toward your student, the money remains with the school shop to be used for teacher grants. Any money earned beyond registration fees, also remains in the school shop fund.

Pick-Up Options

Indicate how you would like to receive your cards on the order form! We can send them home with your child or we are offering the option of picking up your order at the Liberty Bank drive-thru on Friday afternoons, after 4pm. If you do not have a child in school to send the cards home with, you can use this option.

Please make that selection on the order form.
