Lake Havasu Unified School District #1

Solicitation Amendment #3

RFP #21-22-02 – Science and Social Studies Curriculum Adoption

Amendment Date: July 1, 2022

IFB Due Date and Time: August 1, 2022 at 3:00 pm MST Arizona Time

This solicitation is amended as listed below. All other provisions of this solicitation shall remain in their entirety. A signed copy of this two-page amendment shall be received by the District on the Solicitation due date and time – August 1st, 2022, 3pm. Vendors are required to acknowledge receipt of this Amendment by signing page 37, Amendment #3 of the Solicitation.

In the course list on page 28 for Social Studies, there is on 9 th grade course of social studies.In the course of th	Questions	Answers
Is there a 9th grade course which is in this review?studies electives at the high school level.Can the district provide a course syllabus for their Science course Integrated Science for 9th graders? We found the course description in the high school's course catalog, but were curious if the instructor had a syllabus they could share. With that, we can determine if we have a solution to bid for the district to review.Here is the integrated science planned sequence of units as it currently stands- • Scientific Process Skills (Scientific Processes, Scientific Organization) • Physics (Forces, Balanced & Unbalanced Forces, Net Force, Newton's 3 Laws of Motion, Inertia, Friction, Speed, Velocity, Acceleration) • Chemistry (Atoms, Molecules, Chemical Bonding, Organic Compounds, Properties of Water) • Earth Science - Space (Lunar Cycles, Ocean Tides, Seasons, Earth's Tilt & Revolution); Weather (Earth's Atmosphere, Catastrophic Events); Earth & Plate Boundaries (Plate Tectonics, Earthquakes, Volcanoes, Oceans • Biology & Life Sciences (Characteristics of Life, Inherited Traits & Gregor Mendel, Genetics, Plant & Animal Cells)I am working on Lake Havasu RFP#21-22-02 and need your assistance. For the Edgar Certifications document, should my company rep sign/initial pgs. 41-43 or is there a specific place you preferEdgar Certification may be acknowledged on pages 41-43		There is no 9 th grade course for social studies.

Here is the integrated science planned sequence of units as it currently stands- • Scientific Processs Skills (Scientific Processes, Scientific Measurement, Scientific Method, Scientific Organization) • Physics (Forces, Balanced & Unbalanced Forces, Net Force, Newton's 3 Laws of Motion, Inertia, Friction, Speed, Velocity, Acceleration) • Chemistry (Atoms, Molecules, Chemical Bonding, Organic Compounds, Properties of Water) • Earth Science - Space (Lunar Cycles, Ocean Tides, Seasons, Earth's Tilt & Revolution); Weather (Earth's Atmosphere, Catastrophic Events); Earth & Plate Boundaries (Plate Tectonics, Earthquakes, Volcanoes, Oceans • Biology & Life Sciences (Characteristics of Life, Inherited Traits & Gregor Mendel, Gregor Mendel, Genetics, Plant & Animal Cells) These units have some flexibility, but should be aligned to an introductory general science curriculum aligned to AZ standards. Edgar Certification may be acknowledged on
		pages 41-43
to acknowledge those items?		
	to acknowledge those items?	

Can you please confirm what secondary is currently using for social studies and science at LHUSD? I thought I had it in my notes, but I was unable to locate. Any insight is appreciated!	Social studies is currently using Pearson. Science is using a variety of materials from multiple sources.
