

House Bill 641 Teacher Salary Increase Allocation Plan

During the 2020 legislative session, the Governor signed HB 641 and 5001, creating the Teacher Salary Increase Allocation (TSIA) within the Florida Education Finance Program (FEFP). The bill focused on increasing the minimum compensation for full-time classroom teachers to \$47,500 and in recruiting and retaining classroom teachers and instructional personnel. The Florida Department of Education (FDOE) established an application process that prescribes how these funds must be used in the plan. The plan must be approved by the LWCS Board of Trustees before it can be submitted to FDOE. The application outlines the minimum dollars that must be used to reach and maintain the minimum base salary of \$47,500.

Based on the 2023-24 State Appropriations and Lake Wales Charter Schools (LWCS) second calculation of Weighted FTE counts, the LWCS will receive \$1,600,536 to increase the salary for the Instructional staff as described in Section 1012.01(2) F.S.

The LWCS 2023-24 TSIA application requires that \$1,219,972 of the TSIA be used to raise or maintain the base pay for Classroom teachers according to Section 1012.01(2)(a). The remaining funds (growth allocation of \$380,564) will be distributed to full-time "other instructional personnel" pursuant to Section 1012.01(2) (b-d) F.S.

Employees hired as qualified full-time classroom teachers as defined in Section 1012.01(2) F.S during the 2023-24 school year will be placed on the adjusted Teacher Placement Schedule approved by the Board in the spring of fiscal year 2022-23. These employees are not eligible to receive an increase.

Who qualifies for the maintenance portion of the allocation under the rule?

1012.01(2)(a) F.S. *Classroom teachers.*—Classroom teachers are staff members assigned the professional activity of instructing students in courses in classroom situations, including basic instruction, exceptional student education, career education, and adult education.
