#### 3. Old Business

3.1 **Summer Work Package**- (motion for approval needed)-Fritz reviewed the summer work package that will begin June 14<sup>th</sup>. Fritz turned the meeting over to Abram Jenks

from Klosh group to discuss the processes that will begin in June. He stated we are trending under budget, and we will be able to keep to the scope we committed to. He stated we will be getting a new PreK playground, elementary playground, remove the 2 oldest portables, and keep the other two for class rooms until the middle school is built. The early site work will begin for the gym and middle school as well. Fortis reviewed the bid summary, and who the likely recommended sub-contractor is, 65% of the scope will be awarded to local contractors, \$763,000 will be allocated for HVAC work, which ESSER funds will be used and the additional will come from maintenance reserve funds or bond funds. Discussion followed.

Fritz recommended the proposal for the summer work project, \$1,299,570.

Isom moved to approve as presented, Jasper seconded, moved to vote approved unanimously.

4. **Superintendent Report-**Dr. Fritz reviewed his report with the board, he stated the sheds have been delivered and will be put in place this summer, the high school second phase will begin this summer as well. We received our new bus last week. This year we will not be able to offer summer school, since we did not receive the funding from ODE, and we will be doing summer work in the buildings. We will be holding an emergency lockdown and evacuation drill on May 30<sup>th</sup>, the ground breaking ceremony will be held May 31<sup>st</sup> before the budget committee meeting. No discussion.

#### 5. New Business

5.1 **Senior Project Presentation-Spread Kindness Ethan Smalley**-Smalley introduced Hannah Mather as the 9<sup>th</sup> grade success coordinator, she stated this project coordinates with that program. The goal of the project was to spread kindness around the school, they created a kind message system, a student or staff can fill out a form and drop it in a box to be reviewed. The 9GS students then send out the message anonymously to the person, this was a way to spread and receive kindness anonymously. Ahlena and Carly are also on the team. Finn asked how many cards they have given out, he stated 40-50, she asked if this be for a next year as well, he hopes the other students will continue this as their senior project. Was there a system in place for maybe people to receive kindness notes that may not have received otherwise, he stated yes. No further discussion.

Dr. Fritz stated that Senior project presentations are next Wednesday, and Ed will miss this one, unfortunately.

Math Adoption (motion needed)-Carrie Palenske presented the new math adoption materials and the recommendation to the board, she gave a brief background on which curriculum they looked at, and stated she teamed up with the Astoria curriculum director to review, they looked at 4 different companies, and narrowed it down to iReady. It's a K-12 curriculum, with a 7-year adoption cycle. This includes everything for the 7-year cycle and any new updates. This program is aligned with the PD we have doing with the DMTI company we have been using the last 2 years. Finn moved to approve as presented, Isom seconded, he asked what does the curriculum entail, Palenske stated the teacher editions, student accounts, two student workbooks each year, intervention materials, diagnostics for each student, and PD for teachers, moved to vote, approved unanimously.

**HVAC Approval-** (motion needed)-Dr. Fritz reviewed the recommendation to replace the HVAC controls at HLE and a hybrid model at the high school. He stated the total cost which includes a 5% overage is \$67,7319. Isom moved to approve the cost of the HVAC improvements, Finn seconded, moved to vote, approved unanimously.

**23-24 School Start and End Times**- (information only)-Dr. Fritz stated we needed to increase the length of the school day at the high school by 15 minutes to not be short on hour next year and we will continue with the staggered start time due to a shortage of bus drivers. This change will have HLE start at 7:50 instead of 8am, so basically a shift earlier. No discussion.

**NWRESD Zone 2 Position Vacancy**- (motion needed)-Isom stated he does not intend to vote on this, Finn as stated that as well, Johnson called for a motion, no motion, board abstains from voting.

#### 6. **District Reports**

- Financial Report- (Diane Barendse)-We got our state school fund payments, and our audit is in its final review. Johnson asked when is the contract up with Pauly Rogers, she stated it's a year to year contract, she stated other districts have gone out to bid and don't receive any responses. Isom moved to approve the financial report as presented, Jasper seconded, moved to vote, approved unanimously

**Approve Minutes from May 3, 2023 Budget Meeting-**Johnson moved to approve the minutes presented Finn seconded, moved to vote, approved unanimously.

**Budget Document Review-** (Diane Barendse)-Barendse reviewed the questions that she had received from some of the budget and board members. She stated the district is working on water grants, and those are not included in the budget since we don't have those approved yet, we charge player fees and admission to events, if we don't that money comes from general fund and would take away from classroom budgets. We do offer scholarships to students that may not be able to pay the player fees. We are thinking of having community nights that we wouldn't charge admission and 18 and younger aren't charge admission nor any senior citizens in the community. Discussion followed on gate and player fees.

There is talk in the legislative session to increase to the SSF to 10.2 billion, and our budget is built on 9.9. Barendse e stated that is not a significant amount to rebuild the budget on. Page 9. Marc G.-what happens if the nurse is out, Fritz stated we technically don't have a sub, but if they were to need an extended leave we do have someone that could fill in, Brian M. what is the employee contracted rate increase for the 23-24 school year, Barendse stated we are in negations still at this time and haven't reached an agreement. No further discussion.

### Knappa School District # 4

## Personnel Update June 21, 2023

### The Superintendent recommends accepting the following:

## **Bond and Capital Projects Report**

Abatement was completed last week. Now, the preschool, restroom, and pipe replacement work will begin. We are awaiting on DEQ approval for the site prep and portable removal work. This may push us back on start date, but is not expected to interfere with having the playground complete by the start of school. There may be some gym/ms site prep work continuing once school begins, but this will be behind construction fences and should not interfere with school in the fall.

Ainsworth has started their work this week on the HVAC units.

Garland Roofing will start their work on the high school roof in July. Equipment is expected to be delivered here this week.

We have hit a small snag with the baseball shed permitting, but we have time to resolve it. The prefabricated building is rated at 105 mph winds and the County requires a 135 mph rating. We are engaging with engineers to advice on how to shore it properly with bracing to meet the higher wind threshold required by code.

Design Development is 75% complete and Fortis is eliciting informal estimates from subcontractors to verify the budget. Between now and July 21, we will be working with them to enhance or refine scope to ensure we hit budget. This may include inclusion of buyback items. We are identifying items for bid alternates in the fall.

We have a seismic design kickoff scheduled for later this week.

# Memo

**To:** Ed Johnson, Knappa School Board Chair

**From:** Brian Montgomery, Bond Oversight Committee Chair

cc: Knappa School Board Members

**Date:** 06/12/2023

Re: Semi-Annual Report Out

With the desire for public transparency and accountability, the Bond Oversight Committee has been tasked with monitoring the District's effective use of bond funds. The Committee met recently on June 8<sup>th</sup>, 2023 with Superintendent Fritz and the district's owner's reps (Klosh). We reviewed the summer work package scope, current budget, and expenditures to date. Insofar as the Committee is concerned, these items are in accordance with the voter-approved work scope and bond objectives.

The committee also elected a new Chair, Marc Gendelman, as I will be transitioning to a position on the Knappa School Board July 1<sup>st</sup>. If the School Board has any questions or feedback for the Committee, the next quarterly meeting will be in September 2023.

# Superintendent Report June 21, 2023

The school year ended on a positive note. Outdoor School, Olympic Medal Ceremony, Promotion, Field Day (in the rain), Ground Breaking, and Graduation were all a hit.

A special shout out to Bob Brockey for his leadership and hard work with all of the moves at the elementary school to prepare for the future building design. Bob was also instrumental in making the field day successful and for having

the area "spruced up" for the Ground Breaking. All of the moves were complete and the four rooms were ready for asbestos abatement by June 14. The HLE teachers, Tammy McMullen, Mike Rathfon (and his students, who did a wall demolition), Jeff Miller (and the baseball players who moved all of their equipment), Mike Gribbin, Sheri Jacob, and Tim VanDeGrift should be recognized as well.

We had two retirees this year. Patti Whiteside retired mid-year, and Kathy Patterson retired at the end of the school year. They both gave so much to our students and we wish them well.

This summer, KinderCamp will occur August 14-18.

Otherwise, the summer will be filled with construction and site work at both schools. More details are in the *Bond and Construction Report*.

We are in the process of reviewing the MAPs results in literacy and mathematics. The DIEBELS growth was impressive, especially at the kindergarten level.

A special thank you to Ed Johnson (pictured above) for his 28 years of School Board service in our community. We know he will continue to volunteer in our schools and serve our county's citizen's on the Board at Clatsop Community College, but his commitment to the Board will be missed. We wish him all the best.

All staff when on duty shall:

- 2. Dress in a manner consistent with their assigned duties;
- 3. Dress in a manner that communicates to students a pride in personal appearance;
- 4. Be groomed in such a way that does not disrupt the educational process nor cause a health or safety hazard;

#### **NOTES FROM THE BUSINESS OFFICE:**

#### **General**

I have enclosed the May 31, 2023 financial report for your review. We expect the second half of the Common School Fund payment in July.

The highlighted revenue item, Other Local Sources, has been increased by \$23,000 due to an audit adjustment for last fiscal year. With the underperforming market last year, the LGIP was valued at 98.98% per share instead of the usual 100%. An adjustment was needed to reflect the FMV at June 30, 2022. The auditors thought it best to run this adjustment through interest income. The LGIP shares have since recovered and that entry was reversed in the current year, per the audit team.

The school year ended in a whirlwind of activities: outdoor school, field trips, field day, promotion, groundbreaking and move up day! Students and staff helped move our teachers during the last day or so. The day after school ended, hard hats, safety vests, and abatement containment filled the hallways. The new projects have begun and there is so much excitement in the air!!

I want to publicly thank Bob Brockey for his tireless work the past couple of weeks getting people moved, events set up, and grounds kept. He is such a blessing to our community and school.

Analysis of our testing data reveals that we are continuing to make growth, but we are still not where we want to be. We are closing the gap on our achievement, but we still are a bit below average overall. Some of our teachers did realize that some of our kids who took the SBAC and then the MAP testing were very tired of testing by the end of May. We are discussing some solutions on how to be more efficient and help with the testing fatigue.

We have decided to blend some classes due to declining enrollment. The team is navigating the challenges and preparing for enjoying the pros of blended learning. The behavioral team met and has some support ready to go in August for some of our most vulnerable students. The learning team is preparing to support our blended learning classes with push in services during core time. Our goal is to continue to build our support systems for students and continue to support academic and behavioral needs.

I am looking forward to the 2023-2024 school year with the joys and challenges it will bring!

Respectfully submitted,

Tammy McMullen

- ★ The seniors had a busy last few weeks of school. They had their senior project presentations on May 24th, the senior awards June 6th, and their graduation ceremony June 10th.
- ★ Congratulations to Ryan Dick who was awarded the \$20,000 KSF Honorary Scholarship at the senior awards night. This year that scholarship was in honor of Ed Johnson. Also a big thank you to the Knappa Schools Foundation who handed out \$52,500 in scholarships that night.
- ★ We graduated 34 seniors this year. Job well done to our 4 valedictorians and 1 salutatorian who all delivered great speeches! As a going away gift to our superintendent, the seniors all gave Dr Fritz a ping pong ball as they crossed the stage.
- ★ As we shift our focus to next school year we have some exciting things in the works including the implementation of an alternative education program, and you'll get more details on this at our next board meeting
- ★ We are almost fully staffed and hope to fill the only teaching vacancy by early next week.
