

Avoyelles Parish School Board Special Permission Form Student Picture/ Video/ Work Online

It is the policy of the Avoyelles Parish School District to obtain the permission from the parent/guardian before placing any recognizable, close-up picture or video or work of their child on the Avoyelles Parish School Board website. The first and last initial of the student may be used in conjunction with this picture, video and work, but there will be no reference to your child's last name, or the address location of where your child lives.

Your child's picture/video/work may be selected to represent the class or event situation that is being depicted. We do realize that some parents are very sensitive to this type of publicity. If you feel uncomfortable with this, please feel free to decline.

Please send this form back to the teacher as soon as possible so we may know what your feelings are in this matter, and take the time to visit our website, <http://www.avoyellespsb.com>. You will find valuable resources to help your child.

Sincerely,

Dwayne Lemoine
Superintendent Avoyelles Parish Schools
