

**Bidwell Point Continuation High School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

The mission of Bidwell Point Continuation High School is to be a safe, caring learning environment that promotes student success through an alternative education environment. Students in Bidwell Point Continuation High School receive support in individual and small group setting. 1 full-time teacher is employed along with a Part-Time academic advisor and other school personnel. The school is a half day program with reduced credits needed for graduation. Students attending the continuation high school have access to the Elk Creek High School media center and may participate in extra curricular activities. Depending on students' needs and progress, some also participate in individual learning on line, including credit recovery or classes that allow both high school and college credit.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

The Maintenance Lead conducts monthly inspections for the buildings and grounds, and all school staff are encouraged to report any concern to the Administrator immediately. Formal inspections are completed twice yearly, in December and June. Needed repairs and safety issues are addressed through work orders to the Maintenance Lead for prompt attention. The school has 7 classrooms available and a library, in addition to office space and storage areas. The facilities were built in approximately 1950 and have been maintained in good repair, using both the expertise of maintenance personnel and licensed contractors. Services are occasionally contracted with the California Department of Forestry and Fire Detection (CAL FIRE) for closely supervised inmates to complete maintenance tasks at the school during breaks when no students are present.

The maintenance and custodial staff take pride in keeping the classrooms and other areas of the campus in good repair and in a manner that meets high standards for cleanliness. Janitorial services are provided on a regular schedule by personnel trained in the use of appropriate cleaning products for a school site.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2019

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)		N/A		N/A		N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents of students in Bidwell Continuation High School are encouraged to maintain close contact with the school staff. The goal is to create a strong team between the student, parents, and school to help the student stay motivated and working hard towards the goal of high school graduation. Bidwell Continuation High School students are regarded as part of the school community and are eligible for field trips, sports, and all other school activities under the same conditions as all other Elk Creek Junior/Senior High School Students.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Stony Creek Joint Unified School District Safety Plan contains sections specific to each site in the district, including Bidwell Point Continuation High School and Elk Creek Junior/Senior High School. The Safety Plan is reviewed and updated yearly and approved by the Board of Trustees in March. The District adopted the Catapult School Emergency Management System that provides capability to respond to an emergency in a rapid, effective manner. Through an emergency management system, we are able to summon fire and/or law enforcement immediately, including local first responders who have been trained on the system alongside school personnel. The system is sophisticated and has many features, including the ability to determine the location of teachers and students through GPS and an "all call" feature that allows the school to notify and update parents in the event of a school emergency.
