

June 5, 2026

Dear Parents and Guardians,

As the 2025–2026 school year comes to a close, it is hard to believe how quickly the year has gone by. As we reflect on the many moments, memories, accomplishments, and celebrations of this school year, we cannot help but feel truly grateful for all of the people who helped make it such a special one.

We are incredibly thankful for our PSA for the many ways they supported our school throughout the year. Their dedication, generosity, and hard work helped provide so many wonderful activities and opportunities for our students and families.

We are also deeply grateful to our parents for continuing to choose St. Anne School as a place where your children can learn, grow, and feel at home each day. Thank you for believing in the value and promise of a Catholic education and for partnering with us in the education and formation of your children. Your support, encouragement, and involvement help make our school community strong. We are especially grateful for the many prayers, kind words, and encouragement offered for our school community.

As summer begins, I hope all of our families find time to relax, enjoy one another, and create many happy memories together. Thank you for being such an important part of the St. Anne School family. We look forward to welcoming everyone back for another wonderful school year in the fall.

God bless,

Dr. Fries

Scholastic Book Fair Update

After ongoing discussion between school leadership, the Diocese, and the PSA, Scholastic Book Fairs will not be returning to St. Anne School for Fall 2026. This decision was made due to concerns that some materials and content available through Scholastic may not align with Catholic values. We recognize that the Book Fair has been a cherished tradition for many students and families. There are alternative book fair companies that offer faith-aligned resources and engaging experiences for students. **If you are interested in coordinating a new Book Fair program, we would love to hear from you!** Contact the PSA to learn more. **Have remaining Scholastic Dollars on your eWallet?** Those can be utilized via the Scholastic website.
