11/4 - Picture Retake Day
11/9- Late Start Monday
11/23-11/27 -Thanksgiving Break*

*If you would like extra practice for your child to do over break, please email me!

A Note To You

Hello Families,
Thank you so much for taking the time to meet with me about your child's progress so far in second grade. It was great to connect with you and share ideas.
As the weather gets colder, please make sure your child is coming to school with warm clothing and thick jackets.
Have a great week!
Mrs. Summerfield

This Week's Agenda

- UFLI at home practice will guide you through the spelling pattern we are learning in class.
- Read 20 minutes each night.
- Math Practice sheets will reflect what we have been learning in class so that you can do a little more at home.
- Practice breaking words apart into syllables to read them piece-by-piece. In report card envelopes, I included a resource about syllables for you to support your child with spelling and decoding at home.

Practice At Home

Spelling: Long A- ai, ay
ai - goes in the middle of a word like in 'brain'
ay - goes at the end of a word like in 'gray'
Reading: We will begin learning about what a paleontologist does by reading stories about famous paleontologists and their historical discoveries. This topic will guide our reading, comprehension, and writing over the next couple of months.
Math: We will begin discussing mental math strategies that we can use to add and subtract.
Social Studies: As we approach the holiday season, we will begin talking about economics.
