

# Save Storytime No Matter the Distance

## NEVER MISS STORYTIME WITH UNITED THROUGH READING

*United Through Reading connects military families through shared storytime with our free programs. Service members and Veterans share their video recorded stories with a child they love to enjoy on demand!*

**Reading aloud** is one of the most important shared activities you can do to build a child's reading skills. United Through Reading's storytime recordings help families start and maintain reading routines, ease the stress of time apart, and foster a lifelong love of reading.

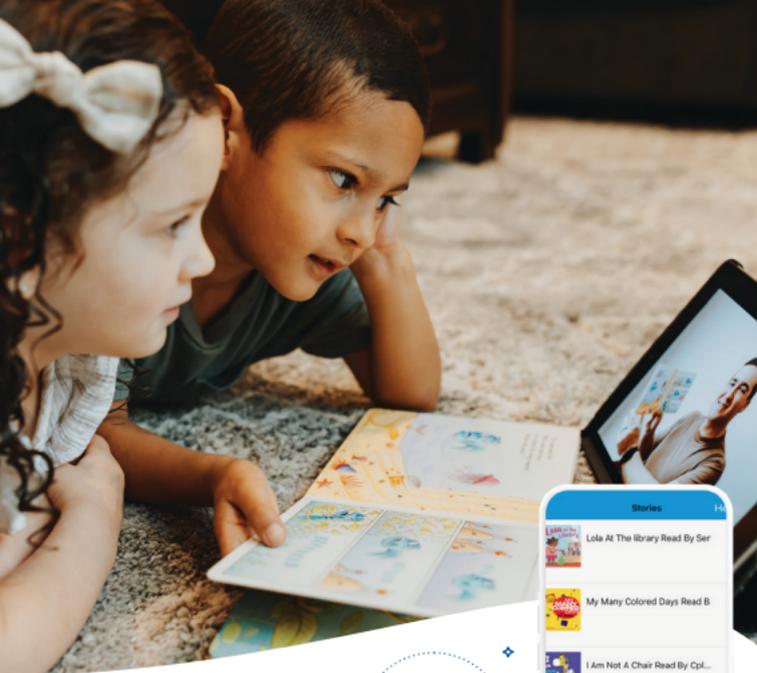

**Get started today with the United Through Reading App!** Use the app to make a recording, request a free book, or watch one of the Spotlight videos with special guest readers. Plus, the app conveniently stores all the stories you've video recorded, making it an easy place for the child to access storytime anytime!

United Through Reading is available at more than **300 Story Stations worldwide**, located within military units, community centers, and at local events.

**DOWNLOAD** the United Through Reading App, log in with your <http://ID.me> credentials to verify military affiliation, and build your library today.

## STEPS TO VIDEO RECORD ON THE UNITED THROUGH READING APP

### ▶ READ AND RECORD

Once logged in, click **"Add/+"** to record your story. Select a book from our ebook library, use one you already have, or request a free book via our web viewer.

### ▶ SEND STORIES HOME

Upload and send your storytime video to the child's parent/caregiver. The recipient does not need to be military affiliated. The parent/caregiver will receive an email with instructions on accessing their Storytime Library.

### ▶ WATCH ON DEMAND

Children can watch your story on our web viewer, a computer, or a mobile device whenever they want storytime.

### ▶ REQUEST YOUR NEXT FREE BOOK

Visit **utrapp.org** to request a brand new, FREE book with every recording from our list of over 300 titles.

### ▶ REPEAT

All stories are saved digitally within the secure app, so record as many stories as you'd like to create a library of on-demand storytime moments available anytime.
