Principal's Notes

OIS Mission:

To unite our school and community by communicating, establishing routines, promoting positive parent involvement in an academically enriched and safe environment.

Parents, thank you for all your support and partnership throughout this school year. We have had some accomplishments and some challenges; but, together we have made it a successful journey. As the semester winds down, we hope that you continue to encourage your child(ren) to have a love of reading and to keep learning throughout the summer by working on our computer programs. We hope everyone has a safe and enjoyable summer!

Attendance at school is very important. When students arrive late or are picked up before dismissal, teaching and learning are disrupted.

The school schedule is 7:55am-3:30pm!

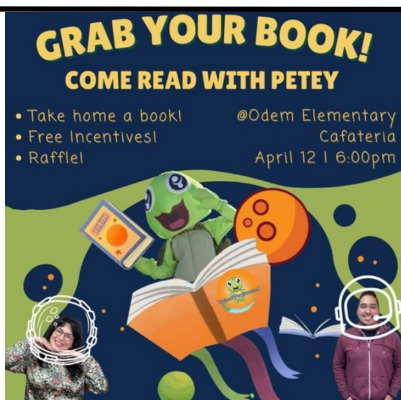

Instruction takes place until 3:30pm. Picking up students early will result in missed class content.
