ANNUAL PREPARTICIPATION PHYSICAL EVALUATION

Patient Health Questionnaire Version 4 (PHQ-4)

Over the last two weeks, how often have you been bothered by any of the following problems? (circle responses)

Not At All Several Days Over Half The Days Nearly Every Day

| | ITOI AI AII | Several Bays | Over Hall the Days | recurry Every Day | |
|---|-------------|--------------|--------------------|-------------------|--|
| Feeling nervous, anxious, or on edge | 0 | 1 | 2 | 3 | |
| Not being able to stop or control worrying | 0 | 1 | 2 | 3 | |
| Little interest or pleasure in doing things | 0 | 1 | 2 | 3 | |
| Feeling down, depressed, or hopeless | 0 | 1 | 2 | 3 | |

(A sum of \geq 3 is considered positive on either subscale [questions 1 and 2, or questions 3 and 4] for screening purposes.)

If you score a sum of 3 or greater on either questions 1 and 2, or 3 and 4, you may have anxiety or depression that is affecting you more than normal. In this case, it is recommended that you talk to a trusted health care provider such as your primary care physician, your athletic trainer at school, or a counselor at school. If there is not someone you feel comfortable talking to or you are interested in learning more to help yourself or a friend, please use the resources provided below.
