

Building and Grounds Committee Meeting
September 21, 2021 - 3:30 pm

Present: Updyke, Meyer, Shinall

Meeting was called to order at 3:32 pm.

Work that has been completed recently was reviewed.

Projects for upcoming work were discussed. Possible projects include concrete, the track, a baseball field, work on the softball field, and the memorial wall.

The Health Life Safety study for the high school has been done. We are waiting on the finalized report.

The School Maintenance Project Grant was discussed. Different projects were discussed and what could qualify.

Different financing options were discussed and will be explored.

Meeting was adjourned at 4:32 pm

Board President

Board Secretary
