

# Expectations

AdvancED and the Georgia Department of Education (GaDOE) have common expectations regarding the systems, structures, practices and conditions of quality classrooms, schools and districts. There is significant agreement between the AdvancED School and System Quality Factors and the expectations outlined in Georgia's Systems of Continuous Improvement, therefore, we share the understanding that an aligned system of continuous improvement is needed to achieve school and district goals.

AdvancED: School and System Quality Factors	GaDOE: Georgia Systems of Continuous Improvement
Impact of Instruction	Coherent Instruction
High Expectations Clear Direction Resource Management	Effective Leadership
Implementation Capacity	Professional Capacity
Efficacy of Engagement	Family and Community Engagement
Healthy Culture	Supportive Learning Environment

# Process

The AdvancED research-based Continuous Improvement System and the Georgia Systems of Continuous Improvement are largely congruent. Both acknowledge the multifaceted factors at play in education and take a holistic view of school and district performance.

# Tools and Resources

While the GaDOE supports the alignment of tools and resources to optimize classroom impact, AdvancED supplies unparalleled, state-of-the-art tools and resources needed to guide, support and inform school and district improvement.
