Perry High School's Air Force Junior ROTC raider team took home, once again, second place in the nation. Early morning on November 5th they took two teams, a mixed and an all-male team, to Molina, Georgia to compete in the Raider All-Service Nationals. Over 50

teams varying from all military JROTC branches competed in four events testing a mixture of strength, agility, and endurance. Between the two Perry teams, they brought home a total of five trophies and they successfully defended their title two years in a row as second in the nation. Chief Robert Spears and Lt. Colonel Greg Bailey are proud of how far the Raider program has progressed in these two years.

Perry began their raider team in 2020. Starting from the ground up, they shadowed events, built their own course and competed in multiple competitions earning more and more ribbons and trophies throughout the season. When they managed to take home second place in the nation for the year 2020, that did not stop them there, if anything it challenged them to work harder and train more each day. This season that hard work payed off. They took home over twenty ribbons, five medals, and sixteen trophies. On top of that, they built an obstacle course and rope bridge area to train on and host their own meets. The 2021 season was very successful for Perry High's JROTC.

Perry High School is located at 1307 North Avenue in Perry, Georgia. Wesley "Del" Martin serves as Principal.

## FMMS FCCLA Adviser and Chapter President Invited to Meet Houston Healthcare CEO

Laney Davis, FCCLA Chapter President had the great idea of collecting snacks and writing thank you notes for healthcare workers as a Community Service National Program for FCCLA. She put her words into action in a big way! Charles Briscoe, CEO of Houston Healthcare, saw the distribution of snacks with notes, and inquired about the details. He was so impressed 1,008 snacks and 454 thank you notes were donated that he wanted to hear more about the project from Laney and her adviser.

Feagin Mill's FCCLA Adviser, Lisa Duke, and Chapter President, Laney Davis, met Mr. Briscoe on February 21<sup>st</sup>. They were able to share about the great things going on at FMMS with FCCLA and FACS. Mr. Briscoe was gracious enough to give them both a gift bag full of Houston Healthcare items.

## FMMS and MCMS FCCLA/FACS Combined Efforts to Provide Snack and Thank You Notes to Healthcare Heroes

Feagin Mill School collected snacks school wide as a community service project for healthcare workers. Students wrote thank you notes to accompany the snacks so they would know how much they are appreciated. In FACS classes at FMMS and MCMS, the students wrote and decorated 454 thank you notes to accompany the 1,008 snacks and drinks that were given to employees at Houston Medical. The FMMS FCCLA adviser and chapter president delivered the snacks and notes to be distributed by hospital personnel. The departments receiving the snacks and notes pictured are Radiology, Outpatient Surgery, Emergency Department, Patient Access, Endoscopy, Pharmacy, Labor & Delivery, Clinical Resource Division, and Environmental Services.

A few messages were attached as well:  
Outpatient Surgery - "Thank you! What a wonderful, overstuffed basket filled with the best goodies and tons of thank you notes! My daughter, Caroline Lane, is a teacher there and loves it! We'll definitely send them a nice thank you note."

Endoscopy-"Thank you so much! Endoscopy loves their basket."

Labor & Delivery-"What a nice surprise! The staff will love this. The notes are precious."

Radiology-"We are so thankful for everything, especially the Red Bulls that were in there." Also, Radiology sent us a Guess the Snack X-ray activity. Students plan to do this in all the classes, and can't wait.

Both schools also wanted to show special recognition to their school's own healthcare heroes (school med tech and nurse) by providing them a snack and note as well.

Thanks so much to all who donated to this great cause! Because of you, 1,008 snacks and 454 thank you notes were delivered to well-deserved healthcare heroes!
