## **HARVEST OF THE MONTH CELEBRATION: APPLE CRUNCH DAY AT KENNETH GARDNER LEADERSHIP ACADEMY**

In partnership with MUSC Children's Health, Clemson Extension (Healthy Me—Healthy SC), Senn Brothers Produce, and Grow Food Carolina, the Williamsburg County School District proudly presents the Harvest of the Month Celebration: Apple Crunch Day at Kenneth Gardner Leadership Academy in Kingstree, South Carolina, on October 29, 2025. The media is invited to join this exciting and educational event, with opportunities for coverage beginning at 8:30 a.m.

Apple Crunch Day is part of the Healthy Me—Healthy SC initiative, designed to promote healthy eating habits, local agriculture, and wellness education among students. During the celebration, students, staff, and community partners will take part in a district-wide "Apple Crunch" — symbolizing a commitment to making nutritious choices and supporting South Carolina's farmers and food systems.

This partnership between local and state organizations reflects the district's ongoing dedication to student health and well-being. The event will feature engaging nutrition lessons, apple-themed activities, and discussions on the importance of fresh fruits and vegetables in daily diets. Representatives from MUSC Children's Health, Clemson Extension, and Grow Food Carolina will be on-site to share resources and celebrate the joy of healthy living.

"Events like Apple Crunch Day bring our mission to life," said Mrs. Tory Gibson, WCSD Director of Nutrition Services. "They connect our students to the power of good nutrition, community collaboration, and the importance of supporting local produce."

*The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.*
