

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RWCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596. 360-785-3460 kmacdonald@evalinesd.k12.wa.us

**Students  
 OF THE  
 MONTH**

**Evaline School Students Of The Month for February are:**

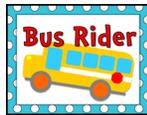

**Jeralynn C.  
 Pippa S.**

**BUS RIDER OF THE MONTH:**

**Olivia C.**

**Student of Character Award**

Each month, one student from each classroom is recognized for their participation and application throughout the school day, particularly in their Social Emotional Learning Class. This weekly class focuses on one character trait for that entire month. In February the character trait was

**"Perseverance".**

**Congratulations to the following February recipients:**

**K-2nd: Graice H.  
 3rd-6th: Brendan O.**

**Read-a-Thon**

Keep on reading!!! Students should be reading and tracking their minutes on their tracking sheet! The read-a-thon ends Tuesday, March 31st!

**Important Dates!!**

**MARCH**

**Wed. 25th: BELL Spring Photos, in the morning**  
**Tues. 31st - Fri. April 3rd: Cispus, 6th graders**

**April**

**Fri. 3rd: Lion Paw Day - 11:30 Dismissal**  
**Fri. 3rd: Egg Hunt, put on by Booster Club - 11:30 Dismissal**  
**Mon. 6th - Fri. 10th: Spring Break, No School**  
**Mon. 20th - Fri. 24th: Volunteer Appreciation Week**  
**Tues. 21st: School Board Meeting - 6:30 pm**  
**Wed. 22nd: OJP Play Field Trip in Olympia for 3rd-6th grade**  
**Wed. 22nd: Earth Day**  
**Wed. 22nd: Administrative Professionals Day**

**Spring Break is coming up!**

**No School, April 6th - April 10th**

**Picture Day – Wednesday, March 25**

BELL Imaging will be here for individual spring photos and a whole-school picture. Please note: **no retakes**. Order forms were sent home last week. To order online, visit

<https://shop.imagequix.com/g1001362598>.

Any questions, contact Ms. Corrie at chenderson@evalinesd.k12.wa.us or call 360-785-3460.

**6th Grade CAMP CISPUS**

**March 31st to April 3rd**

Mr. Burlingame and the 6th graders will be leaving for Cispus Tuesday, March 31st and will return Friday, April 3rd. **6th grade students**

**attending Cispus, please arrive at school at 8:00 AM on Tuesday, March 31st with all your gear.** All pocket knives are to be turned into Mr. Burlingame upon arrival.

**Parents/Guardians, please make sure to send a sack lunch and drink with your student on Tuesday the 31st. 6th grade parents/guardians: Your 6th grade Cispus student will need to be picked up at 12:30 on Friday, April 3rd, they can not ride the bus home due to having all their gear and our bus will already be on route due to the early dismissal that day.**

## TTK - 2nd grade

### February Student of the Month: Jeralynn Cheney

I chose Jeralynn for our TK through 2nd grade Student of the month. She has shown wonderful growth this year. When things get challenging, she keeps trying and works hard to push through. She brings a positive attitude to our class and is always kind and helpful to others. Jeralynn is a good friend and someone her classmates can count on. I am very proud of her effort and the determination she shows every day.

**Way to go Jeralynn!!**

## 3rd - 6th Grade

### February Student of the Month: Pippa Sexsmith

Pippa is our Student of the Month for the 3rd-6th grade classes this month because of the great effort she has been putting into her learning. She has worked very hard to improve her focus during class time, and that hard work is really paying off. Pippa is now consistently getting all of her work done and completing it at a high level. She has also been doing an amazing job with her reading this year and has already reached LEAP 7, which has her on track to hit our Leap 10 field trip at the end of the year. We are very proud of the progress she has made and the dedication she shows every day.

**Congratulations, Pippa!**

## TK and Kindergarten

Mrs. Tinnin

Kindergarten students are currently learning high-frequency "tricky" words. To date, they can read words such as *word, why, when, was, from, the, of, to, and one*. They are also exploring phonics patterns, including double consonants at the end of words, and are practicing reading words like *fell, off, and duck*. In addition, students have been working on answering questions using complete sentences and are now progressing to writing their responses. TK students are studying ocean habitats, with a focus on the plants and animals that live in the ocean.

In math, Kindergarten students are learning about teen numbers and developing an understanding of place value. For example, they are learning that the number twelve is composed of one group of ten and two ones. TK students are working on comparing measurements; they used cubes to measure and compare lengths with classmates, which led to meaningful discussions when some measurements were equal.

As a reminder, all students have a goal of reading for 30 minutes each day. At the end of each week, I will share the number of minutes your child has read both in class and at home in their planner as they work toward their personal reading goal.

## First and Second Grade Explorers

Mrs. Mittge

We have met over 50% of our class Read-a-Thon goal! In order for students to meet their 900 minute individual goal they must read for at least 30 minutes every day, including Saturday and Sunday. Thank you for checking logs carefully and signing them daily!

Students enjoyed their trip to Olympia to watch "Stinky Cheese Man" this week. They also completed St. Patrick's themed math and ELA activities. Students read about wind and built kites which they attempted to fly during pe this week. We also completed a study of what causes spring.

First and second grade students are identifying and counting coins in math. Second grade students are applying concepts of measurement. These are fun, engaging skills to practice at home! How many coins can your child find under the cushions of the couch, in the car, or in your purse? Can s/he count what s/he finds? Can s/he name the coins? If you have a couple rulers or tape measures at home, try a scavenger hunt. Identify things around the house, estimate how long or wide the object is and then measure them in inches and centimeters. Who came the closest to the exact measurement?

## Third and Fourth Grade Classroom

Mrs. Mars

This week students finalized their presentations that go along with their powerpoints they created last week. On Thursday we presented these at the GREEN Congress, sharing our water testing results with other students. This allowed for discussions on how to improve local water to make it better for the salmon. This was a great opportunity for students to practice their public speaking skills as well as interact and learn from other students who have also done water quality monitoring.

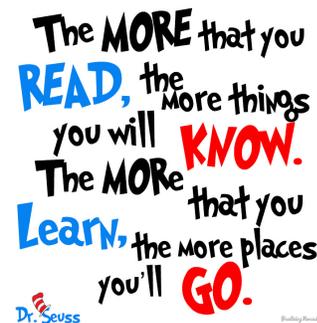

Remember the Annual Read-A-Thon is going on although I am not collecting homework daily like we do outside of the Read-A-Thon nightly reading is still required. A big congratulations to Kylie and Hemmy who have already hit his individual reading goal and will be receiving a free book of his choosing.

## Fifth and Sixth Grade Classroom

Mr. Burlingame

After the first two weeks of the Read-A-Thon our class has a total of 6638, minutes! Please remind your students to read, read, read, everyday! Don't forget-reading an assigned chapter for homework counts towards our Read-A-Thon Goal!

I don't know if you've started the countdown yet but 6th grade parents- we are almost to Cispus! While I am gone, Ms. Amanda will be subbing for me and working with the 5th graders. They will still be doing regular school while the 6th grade is at camp.

A reminder to parents of Cispus students with meds- We need the Medication Authorization papers returned to the school by Tuesday (3-24) so our nurse can process them.

## Friday, April 3rd: Annual Egg Hunt Courtesy of the Booster Club Get Ready for an Egg-citing Adventure!

*We're thrilled to announce that our Annual School Egg Hunt will take place on Friday, April 3rd at 10:30 AM! This fun-filled tradition is always a highlight for our students, and we're excited to welcome preschool-aged siblings to join in the festivities as well.*

*Students will have the chance to search for colorful eggs, enjoy time with classmates, and celebrate the arrival of spring together. If you plan to bring a preschool sibling who would like to participate, please call or email the school office ahead of time so we can be sure to have enough eggs and bags prepared for everyone.*

*Just a reminder that April 3rd is an early release day, and students will be dismissed at 11:30 AM.*

*We're looking forward to a joyful morning filled with laughter, excitement, and lots of happy egg hunters—we can't wait to see everyone there!*
