

2024-2025 NTI Day #4

Yearbook

Teacher: Mrs. Branscom

Assignment

Find your name and page number to see what content you'll be working on. Then, log onto Entourage and create your page. In the case that your event has not happened yet, go ahead and design the page anyway. Create photo boxes where you know you'll want to include photos. You'll be able to put in the pictures when your event happens.
