[Young men are not getting married](#)

According to the latest numbers from the Census Bureau, 30 million males between the ages of 20 and 39 in this country are NOT married. Just five years ago it was only 21 million. [Atheists go after prayer](#)

The Freedom From Religion Foundation is campaigning against prayer walks which a number of public schools across the country have established to promote unity and bless students as a new academic year begins.

Threatening letters from the Foundation have convinced school systems in Georgia and Oklahoma to stop promoting local prayer walks. The Foundation spends most of its time trying to scour any vestiges of Christianity from the public square.

[We are debtors, to proclaim the Gospel by the electronic media, as trustees of our stations. God has given us influence beyond anything our natural abilities or personal goals would suggest.](#)
