WILLIAMSBURG COUNTY SCHOOL DISTRICT SHINES A SPOTLIGHT ON ITS MAINTENANCE DEPARTMENT

The Williamsburg County School District (WCSD) proudly highlights its Maintenance Department, a vital team that works diligently behind the scenes to ensure every school and facility operates smoothly, safely, and efficiently.

Led by a skilled and dedicated staff, the Maintenance Department oversees everything from daily custodial care and building repairs to energy management, groundskeeping, and transportation support. Their work ensures that WCSD students and staff thrive in clean, comfortable, and well-maintained learning environments every day.

Throughout the year, the department has led several key initiatives, including:

- Preventive Maintenance Programs to extend the life of district facilities and reduce costly emergency repairs.
- Campus Beautification Projects that enhance school pride and community appeal.
- Energy Efficiency Efforts that promote sustainability and responsible use of district resources.
- Rapid Response Systems that ensure timely repairs and attention to maintenance needs reported by schools.

Director of Maintenance, Mr. Omar Montgomery, praised the team's commitment:

Our goal is simple — to provide safe, clean, and efficient spaces for our students and staff.
We take pride in being the foundation that supports learning in Williamsburg County.

From classrooms to playgrounds, from heating systems to hallways, the Maintenance Department embodies excellence in service and teamwork. Their tireless efforts contribute significantly to WCSD's mission of providing high-quality educational experiences for all students.
