READING AND MATH: This week we learned about the sound for **digraph ch** and the new words **help** and **purple**. Next week we will be learning the sound for **digraph sh** and there are no new words, we will just practice reading color words. The week after Spring break #2 we will learn about digraph **th** and read number words zero to ten. In Math this week we learned about increasing patterns. Next week we will be giving the VKRP tests in Math so no new skills will be introduced. After Spring break we will begin addition. Please continue to help your child practice any sounds, words or numbers that they have trouble with as well as writing their first and last names correctly and complete sentences.

Upcoming dates:
