### **2026 Annual Parent Involvement Survey for Georgia Families Raising a Student with a Disability.**

The Georgia Department of Education (GaDOE) is surveying parents of students with disabilities throughout Georgia. Individual answers are kept confidential. Each response will be coded by number, not name. In order for all students to graduate prepared to achieve a lifetime of success, families need to be an important part of the school team. It is critical that the GaDOE assist local school systems in partnering with families to raise the achievement rate for students with disabilities. Completing the survey will assist in achieving this goal. Please complete the online survey to make your voice heard. [The Parent Involvement Survey can be accessed by clicking here.](#)
