FERPA

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - o School officials with legitimate educational interest;
 - o Other schools to which a student is transferring;
 - o Specified officials for audit or evaluation purposes;
 - o Appropriate parties in connection with financial aid to a student;
 - o Organizations conducting certain studies for or on behalf of the school;
 - o Accrediting organizations;
 - o To comply with a judicial order or lawfully issued subpoena;
 - o Appropriate officials in cases of health and safety emergencies; and

9/28/2023

o State and local authorities, within a juvenile justice system, pursuant to specific State law. Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school. For additional information, you may call 1-800-USA-LEARN (1-800-872-5327) (voice). Individuals who use TDD may use the Federal Relay Service.

Failure to read this booklet is an unacceptable reason for not following the rules. If you have any questions, please discuss them with your principal, teacher, parent or counselor.

EQUAL OPPORTUNITY: PROGRAMS AND ACTIVITIES

Federal laws prohibit discrimination under programs and activities receiving federal financial assistance. The statutes listed below are applicable to Bamberg-Ehrhardt High School and are provided for you in part:

TITLE VI OF THE CIVIL RIGHTS ACT OF 1964:

No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

TITLE IX OF THE EDUCATION AMENDMENT OF 1972:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.

SECTION 504 OF THE REHABILITATION ACT OF 1973:

No otherwise qualified handicapped individual in the United States shall...solely by reason of his handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

Bamberg-Ehrhardt High School conducts its programs and activities involving admission and treatment of students, employment, teaching, research, and public service in a non-discriminatory manner as prescribed by federal law and regulation.

Bamberg School District One offers all program and educational activities without regard to race, color, national origin, religion, gender, or handicap.

**Inquiries concerning the above may be addressed to:
Bamberg County School District**

CONFIDENTIALITY

The only student information that can be legally given out other than to the parent or legal guardian is outlined:

DIRECTORY INFORMATION: Name, address, telephone, date and place of birth, and dates of attendance

TEAMS: Same as above plus team name, weight and height of player, and awards. When an authorized release of information is presented, it will be honored.

LEAVING SCHOOL EARLY

Once a student reports to school, he/she is expected to stay for the entire day. Only in cases of funerals for loved ones or medical appointments that could not be scheduled after school hours should a parent request an early dismissal. A good education demands that a student be in every class every day possible. For parents requesting the early dismissal of a student the procedure is as follows:

1. The student will give the note to the main office.
2. Parents send written permission stating the time, reason, date, and telephone number on a **FULL SHEET OF PAPER**. The parent or guardian may be called.
3. Students who become ill and find it necessary to leave school during the day must check with the school nurse for permission. The parent will be called to approve the dismissal.
It is against school policy to permit another student to transport a sick student home.

*Please note that parent pick-up ends at 2:45pm. This time is also the cutoff time for calling for your student to be dismissed.

CLOSED CAMPUS

The BEHS Campus is closed to the public. Visitors must report to the office upon arrival on the grounds. Students are not allowed to leave the campus after arriving for school and prior to dismissal without permission from the administration. Students may not come and go freely from the campus during school hours to include the lunch period.

VISITORS

Students may not bring guests to school and expect them to be admitted to regular classes. School is a place where work is going on, and receiving visitors interrupts the schedule. Parents of B-E High School students are always welcome to visit the school campus. They should report to the office to receive a pass. All visitors must report to the main office to obtain a pass and permission to visit school classrooms.

NO OUTSIDE DELIVERIES

9/28/2023

Bamberg-Ehrhardt High School is not responsible nor obligated to deliver items to students. The delivery of non-related school items strains our staff and disrupts school operations. We do not allow the delivery of outside food, gifts, phones etc...

PLEASE NOTE:

It was enacted by the general assembly of the state of South Carolina that any person entering the premises of any school shall be deemed to have consented to a reasonable search of his person and effects.

STUDENT IDS

All students will be issued a picture ID upon enrollment. Students are not allowed to wear another student's ID. **New IDs will be printed at a cost of \$6.00.**

TRANSPORTATION

School bus transportation is extended to students living more than 1.5 miles from school. This privilege can be withheld if the student displays an uncooperative attitude or disorderly conduct. The school bus driver is fully in charge of his/her bus while enroute, working under the direction of the principal, assistant principal, and transportation supervisor. The School District has adopted a School Bus Discipline Policy that applies to all students and schools in Bamberg County School District.

HEALTH ROOM PROCEDURES

A health room is provided for students who become ill at school, staffed with a nurse. Except in an emergency, a pass from a teacher is required for admittance. Students unable to return to class after a maximum of one class period must contact a parent for dismissal from school. No student will be dismissed without parental approval.

Due to HIPAA Laws, only **one** student is permitted in the nurse's office at any given time. Students should sit on the bench outside the nurse's office until they are directed to come into the office. All emergencies will be handled on a case by case basis.

MEDICATION PROCEDURES

If possible, please give medication before and after school.

When daily prescription medication must be given at school, the parent/guardian must obtain a Permission for School Administration of Medication form and have it signed by the medical provider. It is the parent's responsibility to get the form signed.

For students requiring short-term prescription administration, the medication must be in the original bottle with the pharmacy label and the appropriate signed permission form from the medical provider should be brought to the nurse.

9/28/2023

For students requiring non-prescription medication administration (Tylenol, Motrin/Ibuprofen, Antacids, Cough Syrup, etc), this medication must have a pharmacy label placed on the **new, unopened bottle** and the appropriate signed permission form from medical provider brought to the nurse.

These forms are available in the nurse's office and must be signed by the medical provider and the parent/guardian before the medication can be given at school.

Parent/guardian/responsible adult must bring all medication to school and check it in with the nurse. **Students are not allowed to bring medication to/from school.** Appropriate disciplinary action will occur if a student is found to have medication in class or on school grounds.

Any questions concerning medication administration should be answered by the nurse.

INSURANCE

Two policies for health and accident insurance are available to students. One is a limited-coverage policy beginning one hour before school and extending one hour after the school day. The other is a full twenty-four-hour coverage policy. Insurance is required for students in the following activities: athletics (other than football), cheerleaders, band, agriculture or shop courses, chemistry, physics, and clubs.

All students participating in the occupational program at the CACC must purchase school insurance or provide the school with proof of health and accident insurance from home.

TEXTBOOKS

Textbooks are furnished by the state at no cost to the student and are issued at the beginning of each term. Students are responsible for the care and security of books issued to them. Students will be required to pay for lost, stolen, or damaged books. Late textbooks are subject to a \$25 charge.

LOCKERS

A student may rent a locker for a \$5.00 annual fee. Privately owned locks are not allowed. Students are expected to keep lockers clean and secured. Sharing of lockers is not permitted. All lockers are subject to inspection by the administrator. Students will be charged \$5.00 for lost locks.

STUDENT DEBT

All debts owed by students to the school district must be paid before being able to purchase a locker, a parking permit, participate in sports, extracurricular activities, clubs or special events. Report cards and grades will not be issued to any student owing debt.

COMPUTER USE / INTERNET ACCESS

All students have access to networked programs and the Internet. When using school computers, all students are expected to abide by the district's Acceptable Use Policy. General school and district rules

for behavior and communication apply. The Director of Technology along with school administration may review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should have no expectations of privacy in their electronic files stored in Bamberg County School District servers.. Students are expected to use the district Internet system for educational purposes. The district has the right to place reasonable restrictions on the materials that students access or post through the system. Students are expected to follow the rules set forth in the district's Acceptable Use Policy, the student discipline code and the law in their use of the district Internet system and district-owned equipment.

All students will receive a copy of the Bamberg County School District Policy for Computer Use/Internet Access. The form is to be signed by both parent(s) and students and returned to the school. Failure to return the form does not release students from the rules and regulations of the Computer Use/Internet Access Policy.

Each student is assigned an individual user account. The security of this account is the responsibility of the student. It should be safeguarded at all times.

DAILY ANNOUNCEMENTS

All announcements must be approved by the administration. Public address announcements will be made during announcement time and at the end of the day. All students are expected to be quiet during announcements so that all may hear them.

2. The guidance department will screen and make the necessary schedule changes if warranted.
3. The principal will have final authority over any changes.

GRADUATION POLICY

All graduating seniors who expect to participate in the Commencement Exercises must follow the schedule given for rehearsal. REHEARSAL FOR THOSE STUDENTS PARTICIPATING IN GRADUATION IS MANDATORY. SENIORS MUST PARTICIPATE IN AWARDS NIGHT IF THEY EXPECT TO PARTICIPATE IN

Failure to follow the schedule for rehearsals will exclude students from participating in graduation exercises. Students must attend all rehearsals and must be on time.

PUBLIC ADMISSION TO GRADUATION WILL BE BY TICKET ONLY.

ATTENDANCE POLICY

High School Credit

In each class where high school credit may be awarded, a student must attend a minimum of days each instructional period before receiving consideration for credit, unless the local school board grants approval for each excessive absence in accordance with local board policy. Below is an attendance schedule required for various instructional periods:

MINIMUM DAYS

Instructional Period	Credit	Attendance Required
Term (45 days)	.5	42
Semester (90 days)	1	84

DUAL ENROLLMENT ATTENDANCE POLICY

Students enrolled in dual enrollment courses hosted by BEHS will adhere to the attendance policy printed in this student handbook and approved by the district school board. BEHS students enrolled in dual enrollment courses hosted at other schools/ colleges, such as CACC, USC-SALK, and Denmark Tech will follow the attendance policy of that school.

STUDENT ABSENCES AND EXCUSES

The Board believes that attendance is the key factor in student achievement. Any absence from school represents an educational loss to the student. However, the Board recognizes that some absences are unavoidable. Any student who misses school must present a valid written excuse signed by his/her doctor, parent or legal guardian. A valid excuse shall contain the date of the absence, the reason for the absence, and a telephone number where the parent/guardian may be reached. If a student brings a false (forged) excuse, he/she shall be referred to the administration for appropriate action. The school principal or his/her designee shall review the excuse for each student's absence as lawful or unlawful, in accordance with the guidelines set forth below. The principal reserves the right to request a doctor's excuse if a student has a long term illness. If a student fails to bring a valid excuse to school, he/she will automatically receive an unlawful absence. The school administration shall keep all excuses confidential. **Excuses must be received by the school office within 3 days of the students returning to school. After 3 days, only doctor's excuses will be accepted.** The policy also pertains to individual classes or portions of the school day. Consequently, a parent/guardian should consider this when scheduling medical, dental, or other appointments for his/her child.

***BEHS will not accept more than ten parent notes per semester (five for a nine weeks course).**

***Any time a student misses more than 15 minutes of a class period, they are counted absent from that period. This includes coming late and/or leaving early.**

TARDY POLICY

Students at BEHS are expected to be in class and ready to work when the tardy bell rings. Students are tardy when they arrive after the ringing of the tardy bell without a note/excuse from the previous teacher or school office. Teachers are to write a discipline referral on all tardy students and send the notice in with the attendance card. Consequences are listed under the Pupil Discipline Policy in this handbook.

ATTENDANCE AND TRUANCY

Under the No Child Left Behind Act of 2001, 20 U.S.C. & 7112 (c) (3) (2002), states are required to establish a uniform management information and reporting system, which includes the collection of information on truancy on a school-by- school basis. A common definition of the term “truancy” was defined in the R.43-274, Student Attendance. This regulation was approved on November 12, 2003, by the State Board of Education and published on the State Register on November 28, 2003.

In accordance with the revised R.43-274, a truant child is defined as “A child ages 6 to 17 years that has accumulated three consecutive unlawful absences or a total of five unlawful absences.” The definition will ensure the accurate and uniform collection of truancy data on a statewide basis. The SDE will require that districts begin reporting this data beginning with the 2004-2005 school year utilizing the School Administration Student Information, SASI.

Descriptor Code: JBD, JBA, JBE 43-274.

A. Lawful and Unlawful Absences

School districts must adopt policies to define and list lawful and unlawful absences.

1. Lawful absences include but are not limited to:
 - a. Absences caused by a student’s own illness and whose attendance in school would endanger his or her own health or the health of others,
 - b. Absences due to an illness or death in the student’s immediate family,
 - c. Absences due to a recognized religious holiday of the student’s faith, and
 - d. Absences due to activities that are approved in advance by the principal.
2. Unlawful absences include but are not limited to:

- a. Absences of a student without the knowledge of his or her parents, or
 - b. Absences of a student without acceptable cause with knowledge of his or her parents.
3. Suspension is not to be counted as an unlawful absence for truancy purposes.

B. Truancy

The State Board of Education recognizes that truancy is primarily an educational issue and that all reasonable, educationally sound, corrective actions should be undertaken by the school district prior to resorting to the juvenile justice system.

1. Truant

A child ages 6 to 17 meets the definition of a truant when the child has three consecutive unlawful absences or a total of five unlawful absences.

2. Habitual Truant

A “habitual” truant is a child, ages 12 to 17 years, who fails to comply with the intervention plan developed by the school, the child, and the parent(s) or guardian(s) and who accumulates two or more additional unlawful absences. This child may need court intervention and an initial truancy petition may be filed. The written intervention plan, and documentation of non-compliance, must be attached to the truancy petition asking for court intervention.

3. Chronic Truant

A “chronic” truant is a child 12 to 17 years who has been through the school intervention process, has reached the level of a “habitual” truant, has been referred to Family Court and placed on an order to attend school, and continues to accumulate unlawful absences. Should other community alternatives and referral fail to remedy the attendance problem, the “chronic” truant may be referred to the Family Court for violation of a previous court order.

All school intervention plans existing to this point for this child and family must accompany the Contempt of Court petition as well as a written recommendation from the school to the court on action the court should take.

C. Intervention Plans

Each district must develop a policy relating to requirements for intervention. The district plan for improving students’ attendance must be in accordance with any applicable statutes. Individual school intervention plans may vary.

D. Bamberg-Ehrhardt High School Only

(4 X 4 Block Schedule)

1. The School year consists of 180 days. To receive credit, students must attend at least 85 days of each 90-day semester course and 42 days of a 45- day course as well as meet all minimum requirements for each course. **Accrued student absences may not exceed five (5) days during the semester. Any absence in excess of five (5) may cause the student to lose credit for the semester.**

2. Because 170 days are the minimum required by the state, the first five (5) absences per semester may be lawful, unlawful, or a combination. All absences beginning with the sixth (6) must be lawful and will be excused if they fall within the guidelines of lawful and unlawful absences.

Attendance Credit Recovery

Course Days	Maximum absences allowed	Days allowed for recovery
45	5	3
90	10	5
180	20	10

*Students that exceed the number of days allowed will **not** receive credit for the course.*

MAKE-UP WORK

A student shall be allowed to make-up work missed during an absence from school as long as he/she makes appropriate arrangements with the teacher(s) **WITHIN TWO DAYS AFTER RETURNING TO SCHOOL**. The teacher(s) shall notify the student of a reasonable time in which the work must be completed.

APPEALS PROCESS FOR DENIAL OF COURSE CREDIT

Superintendent's Level

If a student has been denied course credit due to attendance regulations, the parent/guardian or student (age 18 or emancipated) may make an appeal to the Superintendent at the end of the semester course, or at the end of the year course.

Any such appeal must be made to the Superintendent, in writing; within ten (10) days of the date the student is advised that he/she failed to receive course credit. The appeal should provide some explanation as to why the student failed to meet the attendance requirement. The appeal will be conducted as an informal hearing. The attendance officer, counselor/principal, parent/guardian and student may be present. They may address the Superintendent and present any supporting documentation. Within ten (10) days of the hearing, the Superintendent shall render a decision regarding the appeal and report his/her decision in writing to the parent/guardian and the school.

Board Level

After following the above procedure, the parent/guardian or student (age 18 or emancipated) may petition the Board to review the Superintendent's decision. The petition for Board review must be made in writing to the Superintendent within ten (10) days after receipt of the Superintendent's decision. The Superintendent shall, at the next regularly scheduled Board meeting, present to the Board the request, together with copies of all documents presented at the hearing before the Superintendent. The Board shall notify the parent/guardian/student within ten (10) days whether or not it will review the matter. If a hearing is conducted, it will be conducted informally as determined by the Board.

INTERVENTION PLANS AND REFERRALS

In order to encourage and assist students in attending school regularly, the administration shall adhere to the following intervention procedures;

1. After three (3) consecutive unlawful absences or a total of five (5) unlawful absences occur, the attendance officer shall attempt to identify the reasons for the student's continued absence and develop a plan in conjunction with the student and parent/guardian to improve future attendance.

The plan for improving student attendance shall include but not be limited to:

(a) reasons for the unlawful absences; (b) methods to resolve the cause of unlawful absences; (c) actions to be taken in the event unlawful absences continue; and (d) the signature of parent/guardian or evidence that an attempt has been made to involve parent/guardian.

2. The student and parent/guardian shall be notified when a student reaches a total of two or three (2 or 3) absences, whether lawful, unlawful or a combination thereof.

3. If the attendance plan is not successful and further inquiry by school officials fails to cause the student or parent/guardian to comply with the plan, or the student or parent/guardian refuses to participate in intervention planning, the attendance officer may refer the student to a truancy prevention program or the Family Court.

SUSPENSIONS

When a pupil is suspended from school, the administration shall notify, in writing, the parents or legal guardian of the pupil giving the reason for such suspension and setting a time when the administration will be available for a personal conference with the parent or guardian.

CELL PHONES

In an effort to protect the rights of people, materials, and to ensure the efficiency of the learning environment, cell phone/smart watch usage and possession at Bamberg-Ehrhardt High School will be governed by the following practices:

1. Cell phone usage and possession is a privilege at Bamberg-Ehrhardt High School. Students are expected to use this privilege in a lawful, respectful, mature, and discreet manner. Administration reserves the right to revoke, augment, or modify the cell phone privilege at any time.
2. If earphones are being used, the student is still responsible for hearing and obeying all directives from faculty and staff. "I can't hear" is not an excuse for noncompliance.
3. If a phone is confiscated, a guardian or parent, listed for the student in PowerSchool, must come to the school and pay the fine of \$25.00 to retrieve the phone on the second offense.
4. If a student is found in violation of the cell phone policy, a staff member will ask the student to surrender the phone. The student must immediately surrender the phone or will be subject to OSS.
5. Conversations, messages, alarms, alerts, notifications, ringtones, videos, games, music, media, and the like are not to be audible. Never should cell phone noise disrupt the school environment.

6. Students are allowed to use cell phones in the mornings prior to 7:55 a.m. Students may resume cell phone use at lunch. Students may resume cell phone usage at the end of the school day (3:05 p.m.) **OTHERWISE, PHONES ARE TO BE TURNED OFF AND OUT OF SIGHT.**

Consequences for Cell Phone Policy Violations

- 1st Offense— phone is confiscated by teacher or staff member, turned into the office, and the phone is returned to the student at the end of the day. This serves as a warning.
- 2nd Offense— phone is confiscated and must be picked up by a guardian listed in Power School/\$25.00 fine
- 3rd Offense— phone is confiscated and must be picked up by a guardian listed in PowerSchool/\$25.00 fine/ISS

Refusal to surrender a phone is considered direct disobedience and will be processed according to the discipline policy. Any phones not picked up by the end of the school year (June 30) will be donated to a local charity.

School administrators will follow all applicable laws, regulations, and district policies applicable to the disciplining of students identified as disabled pursuant to Section 504 of the Rehabilitation Act of 1973 or the Individuals with Disabilities Education Improvement Act.

NON-STUDENT ON GROUNDS

The principal is empowered to take appropriate action against non-students who invade the building, grounds or other school property. Such action will include the right to call in the police and swear out warrants. The authority for such is Article 5, 16-551 of the South Carolina Code of Laws: "Disturbing Schools--it shall be unlawful (1) for anyone (a) to interfere with or disturb in any way or in any place the student or teachers of any school in this State (b) to loiter about school premises of (c) to act in an obnoxious manner thereon. Any person violating any of the provisions of this section shall be guilty of a misdemeanor and, on conviction thereof, shall pay a fine of not less than ten dollars nor more than one hundred dollars, to be imprisoned not less than ten days or more than thirty days.

SEARCH AND SEIZURE

THE SCHOOL ADMINISTRATION HAS THE RIGHT TO SEARCH A STUDENT'S PERSON AND PROPERTY IF THERE IS REASONABLE SUSPICION TO BELIEVE THAT DRUGS, WEAPONS, DANGEROUS, ILLEGAL OR PROHIBITED MATTER OR STOLEN GOODS ARE LIKELY TO BE FOUND.

It is the school's duty to enforce school discipline policies and to protect the health and safety of individual students and the student body. The school recognizes that students have the right of privacy of person as well as the freedom from unreasonable search and seizure but recognizes that this right is balanced by the school's responsibility to protect the health, safety and welfare of all its students, buildings, equipment and grounds. The school will make every effort to respect the rights and personal property of students.

The principal or designee conducting the search will make an effort to notify parents immediately after conducting the search.

ALCOHOL AND DRUG POLICY

Students enrolled in the schools of the Bamberg County School District No. 1 shall not be under the influence of, use, consume, possess or distribute alcoholic beverages or drugs in any quantity. Any student violating this regulation shall be expelled from attending school for the remainder of the school year with the following exception--a student with a minor first-time violation shall be suspended for five days and granted the alternative of attending the Alcohol Drug Intervention Program sponsored by the Tri-County Commission on Alcohol and Drug Abuse with his/her parents. All fees and expenses incurred shall be borne by the student's parent(s) or guardian. A student enrolled in this program will be allowed to remain in school but will continue on probation for the remainder of the school year. If the student discontinues the program or is dismissed from the program, expulsion proceedings shall be initiated by the appropriate principal.

Students will be allowed to select the Alcohol and Drug alternative only once during their school career. Any abuse occurring after this first violation will be treated as a second violation and expulsion will result. (Explanation: If a student is guilty of alcohol or drug abuse in one grade and selects the intervention program and in a later grade is found guilty again, he/she will not be eligible for the program and will be expelled).

A student enrolled in the Intervention Program which extends beyond the end of the regular school year must complete the Intervention Program prior to receiving academic credits for that year. Seniors shall not be eligible to receive their diploma and/or transcripts until the Intervention Program is completed.

A student committing a major violation, such as drug selling or distribution, shall be expelled from attending school, and the appropriate law enforcement officials shall be notified in each case.

A student violating the Alcohol and Drug Abuse regulations on more than one occasion within a school year shall be expelled from attending school for the remainder of the school years. However, the Board reserves the right to expel students permanently depending on the severity of the case.

The regulation concerning alcohol and drug abuse shall be applicable to students in these situations:

1. When the violation occurs at school during school hours or when participating in a school sponsored activity.
2. When the violation occurs off campus and the student comes or is brought to school during the school day or participates in a school sponsored activity after consuming any alcohol or drugs.
3. When the student is found to be guilty of being an accessory to an alcohol or drug distribution operation on school grounds or adjacent areas to the school.

When the violation occurs, the District No. 1 procedure regarding suspension and expulsion shall be followed by the principal. Students will be suspended from school for five days allowing for time to enter the Intervention Program or for an administrative hearing by the District Hearing Authority. The

Hearing Authority is a delegated authority to exercise judgment and allow the student to return to school under extenuating circumstances.

A copy of this Board Policy and a copy of the rules and regulations pertaining to the Alcohol and Drug Intervention Program shall be published in the student handbook of each school in the Bamberg County School District No. 1. Each student shall be required to return to his/her school signed evidence that his/her parent/parents have read and understand the District No. 1 Board Policy on Alcohol and Drug Abuse. Every effort is to be extended to make each student fully aware of the consequences of Alcohol and Drug Abuse as described in this policy.

WEAPONS - LIKE POLICY

South Carolina State Law §16-23-430 (Carrying Weapons on School Property) states:

(1) It shall be unlawful for any person, except state, county or municipal law-enforcement officers or personnel authorized by school officials, to carry on his person, while on any elementary or secondary school property, a knife, with a blade over two (2) inches long, a blackjack, a metal pipe or pole, firearms or any other type of weapon, device or object which may be used to inflict bodily injury or death.

(2) Any person violating the provisions of this section shall be deemed guilty of a misdemeanor and upon conviction shall be fined in an amount not to exceed one hundred dollars or imprisoned for a term not to exceed thirty days. Any weapon or object used in violation of this section may be confiscated by the law-enforcement division making the arrest.

The law is very clear on what constitutes a weapon and intent is not addressed. It is strongly requested that you check your child's pockets, pocketbooks, and book bags to make sure that an ornament of any type or pocket knife, etc. that would meet the definition of a weapon is not in his/her possession. If we confiscate an ornament or pocket knife with a blade less than two inches in length, we will make you aware and insist on a conference and/or disciplinary action. However, any object used in a threatening manner constitutes a weapon.

If an object that meets the state's definition of weapon is found in your child's possession, the police department will be notified and in accordance with board policy (JCDA), the student will be recommended for expulsion.

Note: ALL Knives are prohibited (regardless of the size).

EXPULSION OF STUDENTS/GUN-FREE SCHOOLS ACT

The board of trustees will expel any student who brings a weapon to school (includes any school-sponsored activities). For purposes of this policy, a weapon is defined as a firearm. The term firearm is defined extensively by federal law, but generally means an operable weapon (gun) or destructive device (explosive, incendiary).

The period of expulsion will last no less than one calendar year. The board directs the superintendent to bring recommendations for expulsion consistent with this policy except that the superintendent, on a case-by-case basis, may modify this expulsion requirement. In considering whether to modify the one-

9/28/2023

year expulsion requirement, the superintendent may consider, among other things, the student's age, discipline record and the specific facts and circumstances of the incident.

The district may provide educational services in an alternative setting to students expelled under this policy, pursuant to the circumstances of each individual case.

The district will refer each expelled student to the local county office of the Department of Juvenile Justice.

FIGHTING

Fighting on school grounds, buses, or at school-sponsored functions is prohibited. All parties involved, including those who encourage the fight, are subject to suspension.
