(1) Rationale

The principals, designated by the Board of Education as the educational leaders of Marion County Schools are generally responsible for the attitude, manners, and conduct of the students and staff. Therefore, the principal, subject to confirmation by the Director of Schools and the Board of Education, has specific authority to determine a standard of dress and good grooming that will be compatible with a wholesome school situation. All students are expected to adhere to common practices of modesty, cleanliness and neatness; to dress in conformity with the accepted standards of the community; and to contribute in such manner to the academic atmosphere and not detract from it. No attempt will be made to dictate fashion styles as long as they are in keeping with Marion County Schools' policies. It should be noted, however, that it is the responsibility of the student and parent to adhere to the Dress Code. The Administrators of the Marion County Schools shall have the right to appraise any current fashion or fad and determine whether or not it is appropriate for school. Fashions that the principal deems a distraction to the educational process will not be allowed. In matters of opinion, the judgment of administrators will stand.

In order to provide a safe and secure school, strengthen the educational focus, and establish an orderly learning environment while preparing students for success in the professional work place, students, parents and faculty at Marion County Schools have established the following standards for student dress and appearance.
