

Coffeeville SCHOOL DISTRICT

“Excellence- From All- For All”

Superintendent’s Newsletter for December

Important Dates to Remember!

Dear Parents,

As we begin to wrap up the first half of the regular school year, we are very proud of the academic progress currently being made. Coffeeville Elementary maintained a “B” rating for the third consecutive year. Coffeeville High School earned a “C” rating, The Coffeeville School District earned a “B” rating for the second consecutive year from the Mississippi Department of Education. This could not have been done without you!

Let us give the Coffeeville Basketball Pirates the support they need to bring a long-awaited State Championship to the Coffeeville School District. Continue to display good sportsmanship and hospitality to visiting fans from competing schools. It is our desire to create an inviting, safe and family environment for all who will attend basketball games in the Coffeeville School District.

High school seniors who have **not** passed all subject area exams necessary to meet graduation requirements will take MAAP retest December 3rd through December 13, 2024. All students in grades K-12 will take Second Nine Weeks Exams December 16-20th. Our teachers and teacher assistants have been working extremely hard to prepare students for success on MAAP retest and Second Nine Weeks Exams. Please encourage your child/ children to do their very best on all exams.

I want to express my sincere thanks to our students, principals, directors, teachers, teacher assistants, partners in education, and volunteers who work each day to help improve student achievement in the Coffeeville School District.

Have a Merry Christmas and a Happy New Year!!!

Educationally yours,

Dexter Green

Superintendent of Education
