No visitors present.

5. Presentation to School Council

Mrs. Chadwick presented the Action Team for Partnership Power point and provided the ONE YEAR ACTION PLAN

6. Report of Principal

Dr. Wynn discussed the impact the Positive Office Referral provide by the District PBIS Coordinator has on students. This is a positive way to recognize those students who tend to fly under the radar. It is also a motivational tool for other students to work towards displaying the Tiger Way behaviors.

7. Old business

8. New Business

Ms. Turner shared that she contacted the Battered Women and Children Safe House on behalf of Student Council to offer assistance. The representative stated that they would appreciate socks, a much needed item but least donated. She met with student council and they decided to do a "Toasty Toes" Sock Drive with a goal of collecting 100 pairs of socks. A day before the Sock Drive ended they had collected well of 600 pairs of new socks for infant, children and women.

Dr. Wynn discussed we will administer the Winter MAP Testing on December 1 and 2, 2021.

He explained that Houston County is taking part in a study to determine if the MAP Assessment will replace the GMAS. He mentioned that the MAP gives teachers and administrators the opportunity to see progress of a student's performance throughout the course of school year at three different times rather than the one time as GMAS offers. This will be determined by the state once the study is complete.

He also mentioned that TMS is hosting the Houston County Board of Education Work Session of Dec. 13.
