SECURING SUCCESS

Kirk Academy prioritizes student success through academics, safety, and a Christian environment. **The "Securing Success" campaign aims to build a security fence with brick columns around the campus, enhancing physical security and symbolizing community support.** This initiative seeks to create a secure space for students to grow in knowledge, character, and faith, allowing them to focus on their studies and achieve their full potential.

A Lasting Legacy:

As part of this campaign, we are offering a special opportunity to have your family or individual name displayed on a commemorative plaque on the columns surrounding our campus. **A contribution of $250 or more will add your name to a plaque that will be proudly displayed on one of the columns.** These plaques will serve as a lasting tribute to those who support the future of Kirk Academy and our students.

Our Goal:

To complete the project, we aim to raise $30,000 by May 31, 2025. We successfully installed gates in Fall 2024, and additional funding will help fully secure our campus before the 2025-2026 Academy Year. We invite you to prayerfully consider partnering with us to ensure a safe environment for Kirk Academy students to achieve their God-given potential.

God Bless and Go Raiders!
