

# Students OF THE MONTH

Evaline School Students Of The Month for January are:

Lily C.  
Sam B.

**BUS RIDER OF THE MONTH:**

**GREAT JOB**

*Lillian S.*

## Student of Character Award

Each month two students are recognized for their participation and application throughout the school day, particularly in their Social Emotional Learning Class.

This weekly class focuses on one character trait during that entire month.

In January the character trait was

**“Empathy”.**

**Congratulations to the following recipients for the month of January:**

K-2nd: *Clover D.*

3rd-6th: *Lillian S.*

## Report cards

Student report cards have been mailed out to the current home address that we have on file for you. Please look for them in your mailbox. Thank you!

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596. 360-785-3460 kmacdonald@evalinesd.k12.wa.us

## Perfect Attendance in the 1st Semester

The Evaline School District recognizes students with perfect attendance each month at our Lion Paw Assembly. We realize students get sick or take the occasional family trip, but we want to emphasize how important it is to come to school.

The following students have had perfect attendance for three or more months:

### **3 Months:**

**Clover D., Aaron G., Pippa S., Wyatt D., Brendan O., Logan P., Kaira H. and Kingston D.**

### **4 Months:**

**Brody R., Gwen P., Jeralynn C., Gunner B., Carly B., Apollo W. and Audrey B.**

### **5 Months (perfect attendance 1st semester):**

**Faye B., Willow D. and Brooklyn M.**

## Salmon Release Field Trip Friday, February 21st for 1st & 2nd Grade

Our salmon are ready to be released! Next Friday on the 21st our 1st and 2nd grade classroom will leave at 8:45 am from Evaline Elementary and drive by bus to Winolequa Park to release our fish into Olequa Creek. This trip will be quick with an estimated return time of 9:45 am. Students should wear warm socks and coats. It is recommended that they wear boots if they have them.

## STONE SOUP Friday, February 21st

It's time for our traditional Stone Soup! We're asking those who wish to donate ingredients to please bring pre-packaged, sealed, or canned items. To help make things easier, we've assigned ingredients by classroom, but any donation is greatly appreciated. All leftover items will be donated to the local food bank. Please have all ingredients at school by Wednesday, February 19th.

### **Grandparents Invited to Stone Soup Day!**

New this year, we're excited to invite grandparents to join us for this special meal! Students in grades 3rd-6th will eat at 11:30 AM, and students in TK-2nd grade will eat at 12:00 PM. Grandparents who wish to join both groups are welcome to stay the entire time. Please RSVP with the office so we can plan accordingly. **We're looking forward to a fun and delicious day with all our families!**

## Conferences - Feb. 24th - 25th

Conferences are by appointment only, on the afternoon of February 24th and 25th. If your student's teacher would like to conference with you about your student, they will contact you directly to set up an appointment. If you did not hear from your student's teacher about a conference, but would still like to meet with them,

please call the office by Wednesday, February 19th to schedule an appointment. Thank you.

## **PARENT TEACHER CONFERENCES**

### Early Dismissal

Due to our conferences we will be dismissing school early: Mon. 24th - Wed. 26th, with an 11:30 dismissal.

### Mid-Winter Break

No school Thursday, Feb. 27th and Friday, Feb. 28th for mid-winter break.

## TTK - 2nd Grade January Student of the Month: Lily Corey

I am pleased to announce Lily Corey as the TK-2 Grade Student of the Month. She consistently strives for excellence in everything she does. Her passion for learning is evident through her excellent behavior in the classroom and her self-set goals. Whether working in class or independently, Lily approaches every task with a positive attitude. Her dedication and commitment to learning are evident daily.

**Congratulations Lily!**

## 3rd - 6th Grade January Student of the Month: Sam Burlingame

This month's Student of the Month exemplifies compassion, leadership, and a contagious enthusiasm that uplifts everyone around him. He consistently demonstrates kindness by making sure no one is left out, whether in class discussions, group projects, or recess games. His natural ability to lead is rooted in empathy and respect for others, making him someone his peers look up to and trust.

What truly sets him apart is his boundless enthusiasm. Whether tackling new challenges, sharing ideas, or simply participating in everyday activities, he brings an energy that motivates those around him. His positive attitude creates a welcoming and vibrant atmosphere in our classroom.

We are proud to recognize Sam for his compassion, inclusivity, and inspiring leadership. **Congratulations Sam, on this well-deserved recognition!**

## TK and Kindergarten

Mrs. Tinnin

This week kindergarteners are learning about the th, qu, and ng sounds. They practice writing the sounds they hear and reading words with the sounds.

In math, kindergarteners are working with teen numbers. They are working with the number ten and adding more ones to make the teen numbers. Kindergarteners are also playing What Doesn't Belong. Students are shown four pictures and they must say which one they think doesn't belong and give a reason for their choice. There are no wrong answers if they have a valid reason as to why they picked their choice.

TK is learning about the numbers nine and zero. TK started their Habitats unit. They will learn about different habitats and the animals that live in them. They also practiced the sounds and sound pictures for the letters M, A, T, D, and O.

100's day was filled with fun activities for both TK and Kindergarten.

## First and Second Grade Explorers

Mrs. Mittge

Exciting times as always in this busy little world of learners!

We have been spending 10-15 minutes each day developing our working memory. These activities include studying a picture for one minute and then recalling details from it, playing the game of memory, and participating in recall games. We have also started using mnemonic devices to recall the presidents' names in order. Your child should know the first 5-6 presidents by now. You can strengthen these skills by asking your child his/her phone number and address as well as quizzing them on their math facts and spelling words.

You should receive your child's report card within the next couple of days. **Please reach out to me through ClassDojo if you would like to schedule a conference.**

Next Friday, Feb. 21st we will be going to Olequa Creek for a very quick trip to release our salmon! They have developed quickly and are ready to swim! Students need to dress warmly!

Also next Friday we will have Stone Soup! Grandparents are welcome to attend. We would love to have a few donations of rice or noodles from any families that are able.

## Third and Fourth Grade Classroom

Mrs. Mars

Students had a very busy day today! We did a variety of Valentine's related activities throughout the day including math and art activities before finishing the day with an all school party hosted by the Evaline Booster Club. Students got to enjoy a delicious treat while opening their Valentines from their classmates.

In addition to Valentine's fun, today students conducted their winter water testing. Due to the cold/wet weather these tests were conducted at the school this time. We will be going over these results in more detail throughout the coming weeks as we plan and practice our presentations that we will be presenting at the GREEN Congress for other elementary students from around Western Washington in March.

## Fifth and Sixth Grade Classroom

Mr. Burlingame

You might have noticed that reading logs are no longer being sent home. That is because I've allocated some time during each day for students to read in class. The result is we've had a huge boom in our AR point totals! Remember- Students in the Hundred's Club get to go on a special trip at the end of the year!

**Congratulations to our top 3 AR point leaders:**

Sam 205.4 points  
Sasha 140.5 points  
John Luke 114.6 points

I can't wait to see more students getting more leaps!
