

FIELD TRIPS

The Board recognizes that the first-hand learning experiences provided by field trips can serve as an effective and worthwhile means of learning. The Board encourages field trips that are part of and directly related to the Centennial BOCES's educational programs and will yield greater learning opportunities than other educational experiences.

Specific guidelines and appropriate administrative procedures shall be developed to screen, approve and evaluate trips and to ensure that reasonable steps are taken for the safety of the participants.

Determinations regarding the appropriateness of a field trip, necessary modifications and/or accommodations, and other matters concerning students with disabilities shall be made by the students' IEP or Section 504 team.
