Franklin County Community School Corporation is pleased to announce that Brookville Elementary School, Laurel School, Mt. Carmel School, Franklin County Middle School, and Franklin County High School have been awarded the Purple Star School Designation. Sixty schools statewide received this inaugural designation from the Indiana Department of Education.

The Indiana Purple Star School Designation honors schools that have displayed a significant commitment to service members, veterans, and students and families connected to our Nation's Military. We are proud to be part of the first cohort of schools earning this designation. Franklin County Community School Corporation is one of twenty-five school districts to receive this designation. For a school to be honored they must have a point of contact at each school that has undergone training for specific grade levels to serve as a liaison for service members, veterans, and their students and families and host an annual military recognition event that demonstrates military-friendly culture.

Franklin County Community School Corporation is honored to be designated a Purple Star Recipient and will continue the strong tradition in recognizing the service members, veterans, and students and families of the Franklin County community.

*We exist so children can excel.*
