Mission Statement

Centered in Jesus Christ and grounded in God’s Word, Saxony Lutheran High School delivers excellence in all phases of education and prepares students for a life of Christian discipleship.

Vision Statement

Each student is filled, formed, blessed, and equipped for life and service

Principal’s Message

As we begin February, we at Saxony begin in earnest to look at the next school year. Our school counselor is in the midst of junior class meetings that help ensure that the school, parents, and Crusader are all on the same page as the student prepares for his or her senior year.

Re-enrollment for the 2025-2026 school year is in process. Directions for re-enrollment for current freshman, sophomores, and juniors were sent this week. Course selection will be taking place with freshmen and sophomores in the upcoming month.

As far as the seniors, preparation for graduation is well underway. This is also the time of year that our seniors’ contract that dreaded last semester of high school disease called senioritis. We want our seniors to finish strong and I have confidence that this group will do just that.

We have our biggest fundraiser coming up at the end of the month. Our Blue and Gold Gala is on Saturday, February 22 at the Bavarian Halle. We appreciate your continued support.

During my most recent Chapel, I had the opportunity to discuss with Crusaders about ways they could showcase God’s love and “Be the Light” to others at Saxony. I would like to extend that challenge to the Saxony Family. Let’s take a moment this month to share God’s love and “Be the Light” to those we see each day. As in John 8:12, “Again Jesus spoke to them saying, “I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life.”

Let’s get social!

In Christ,
Mark Ruark
Principal

From the desk of Mrs. Kiehne:

Seniors - The FAFSA is now open! The 2025-26 FAFSA is open and you may login, work on, and submit your FAFSA now. If you try to log in and cannot get in, just try again another day. The priority deadline to submit your FAFSA for entering college in the fall of 2025 is **February 1st, 2025**.

If you were unable to attend the *Financial Aid/Scholarship and FAFSA Presentation on December 16th*, information will be forwarded to senior students and parents as a follow-up. Watch for an email from me.

What is the FAFSA? If your student is planning any form of education after high school, they must complete (with your help) the **Free Application for Student Aid**. The website to visit is studentaid.gov. Each senior had the opportunity to set up their FSA ID during our Senior Meeting on October 17th. They should have saved their login information. One parent or caregiver, and possibly more this year, will also need an FSA ID. For example, if your family has a parent living in another household, that parent will also need an FSA ID. If you have an older child in college, you use the same FSA ID that you've signed in with previously. Once the login credentials are set-up, it takes a few days for the government to validate that you are a real person and that all of your identification numbers match (Social Security number, birthdate, etc.).

What about next year for grades 9-11? Every January/February, we begin planning for the following Academic Year and reviewing our Four-Year Plans. We typically do this in Crusader Time set aside in January and February so that course selections can be completed by early March. I will also visit Language Arts 1, 2, and 3 classes to review graduation requirements, courses that are available next year and beyond, and so that I can answer any specific questions they have. Course selections will be made electronically on the students' PlusPortals accounts and will be due to be completed in early March 2025.

What do juniors need to know for course selection and senior year? Each junior and their parents will meet with me individually during January and February for "Junior Meetings." These meetings allow me to talk with students about their post-high school plans and assist individually with course selection. This helps to align students' course selections to post-high school plans. We also review the timeline of activities for senior year.

What happens next? After course selections are submitted, all selections are reviewed and the administration determines which courses will be offered the following school year. Changes are made to course selections based on course sizes, student preparedness for courses, teacher recommendations, and other factors. Updated course selection reports are sent to students and families over the summer with the second semester report card. Please review these carefully. It is very difficult to make changes to selections after the end of May because over the summer, the school master schedule is created. Students receive their school schedules in early August.
