It was great to see so many alumni at the Homecoming game this year - and playing on our own field made it even more special!

This year, Master's Academy launched the **Student Leadership Institute (SLI)** to intentionally develop future Christian leaders who influence their world for Christ. Through monthly leadership luncheons, mentorship, service opportunities, and Biblical character formation, SLI equips students to lead with integrity, courage, and compassion. We're excited to see how God will continue to grow these young leaders as they discover their calling and use their gifts to serve others.

Other initiatives launched this school year:

- Middle School Campus Life
- Center for Calling & Career
- STEM Program
- Sports Field Improvements
- Early Childhood Learning Center
