PTO Meeting Minutes

April 21, 2023

Welcome/Introductions & Greetings:

Members Present: Lacey Moye, Tiffany Pressley, Kim Griffiths, Betty Finnell, Lashonda Mose

Reviewed January Minutes- Approved by Lacey Moye

Second by Tiffany Pressley

Administration Report:

- * The Wizard of Oz was a huge success. We can't thank Mrs. Coffman enough for all her efforts that have been made. *PTO watched the production.*
- * PCSB has approved a bid to move forward with the building two roof. The contractors have come by and will be dropping off materials following Memorial Day weekend. The back parking lot will not be used this summer due to the construction.
- * The engineer is working on the plans for the bus loop and front parking lot. We will use these plans to work with a construction company to fix these two areas.
- * The testing schedule and field trips were coordinated so we meet our 95% completion rate and have enough time for makeups.
- * Ms. Gunn and Mrs. Finnell did an outstanding job with the ordering of the awards. We are very appreciative of First Baptist Church and High Point Church as they are hosting our awards.
- * JHW is expanding out pre-k unit by adding an additional classroom.
- * The teachers are working on class lists for the 23/24 school year after school. We appreciate their feedback and input they provide.
- * FDLRS is assisting JHW with their master schedule to ensure we are maximizing our time for ESE.

Fundraiser: Color Run Update

- * Great and fun event
- * \$2900.00 raised
