45

1 **10. NEW BUSINESS**

2
3 A. **Roseanne Lombardo** spoke about the recent situation at Paulsboro High
4 School where a parent made their way to the classroom. She said she
5 attended the meeting and they will be making changes regarding people
6 entering and exiting the building. You will need to be escorted by the
7 school security guard to where you need to go. Teachers will now have
8 walkie-talkies in their classrooms if needed. The big question was why did
9 it take so long for the police to be notified? Apparently, they called the
10 kids in the classroom down to the office and the kids did offer the phone
11 video. So, it took time to process the video before calling the police. **Mrs.**
12 **Lombardo** doesn't know if it was really three hours because the news can
13 be inflated. They are looking at their entry/exit procedures; where it went
14 wrong and how to fix it. They are letting everyone know, staff and
15 students, that they cannot let just anyone in the building and
16 consequences will follow if they do not comply with this procedure. **Mrs.**
17 **Lombardo** also said these are high school kids who order through door
18 dash for lunch so that presents a problem with letting people in the
19 building. **Dr. Jen Foley** said it can be hard to train your staff and students
20 not to open the doors because we also want them to be helpful. **Mrs.**
21 **Lombardo** said they are also working with a new Superintendent so there
22 are many changes going on. **Erin Herzberg** said she was glad to hear
23 they are looking into this problem. The Board thanked **Mrs. Lombardo** for
24 keeping them informed.

25
26 **Spotlight Employee for the month of February 2024:**

27
28 **Ryan McVeigh** – Science Teacher at Nehaunsey Middle School

29
30 **Mr. McVeigh** does many wonderful things in and out of the classroom to make
31 the lives of those around him better each day. He recently proposed a new
32 elective (coding) for the 2024-2025 school year. **Mr. McVeigh** supports his
33 colleagues, plans and completes fundraisers and is always there for students
34 and staff. He is also volunteering on a State Science Committee to help revamp
