A Note To You

Hello Families,

Thank you to those of you who signed up to bring a treat for our fall party! I am sending home more sign-up sheets if you'd still like to sign-up for something.

I am looking forward to our conference this week!
See you soon!

Mrs. Summerfield

Practice At Home

- ❖ UFLI at home practice will guide you through the spelling pattern we are learning in class. Practice, practice, practice! These spelling patterns come and go quickly! More information on how to use UFLI half-sheets are on the back of the October reading log.
- ❖ Read 20 minutes each night and document it on your October reading log.
- ❖ Math Practice sheets will reflect what we have been learning in class so that you can do a little more at home.

This Week's Agenda

Spelling: Reviewing long vowel sounds: /a/, /e/, /i/, /o/

A: ai, ay

E: ee, ea, ey, y

I: igh, ie

O: oa, ow, oe

Reading: We spent a lot of time discussing, reading, and writing about different problems schools around the world face. We've learned what solutions those schools came up with to ensure kids can make it to school. This week we will begin comparing and contrasting those schools with our school.

Math: We are learning different strategies we can use to add two-digit numbers together. This week we will dive into adding on a number line.
