

SUPERINTENDENT'S NEWSLETTER FOR AUGUST 2026

Dexter T. Green, Superintendent of Coffeeville School District

Dear Parent/ Guardian:

The faculty, staff, and administrators of this great school district would like to thank you for supporting and entrusting us with the community's greatest resource, your children. We are dedicated and committed to building a better Coffeeville School District for our students, staff, and community. If we are to be successful in our relentless efforts to provide your child or children with a world-class education, we must work together to ensure the following:

- Students will come to school every day prepared and ready to learn.
- Students will listen and be respectful to **all** adults.
- Students will read Accelerated Reader books and use online software programs for 30 minutes every day to reinforce skills taught in school.
- Students will exhibit good behavior every day at school and on the school bus.

The District Leadership Team has worked diligently this summer to prepare for another great school year. We are extremely excited about our returning and new staff members to the Coffeeville School District. Mrs. Forrester, Principal at Coffeeville Elementary, Ms. Warren, Principal at Coffeeville High School, and District Administrators were very successful in recruiting and attracting highly qualified faculty and staff to work with students in the district.

We are pleased to welcome the following District administrators, new teachers, and staff to the Coffeeville School District: **Coffeeville Elementary: Ms. Tracey Everett, 5th/6th Social Studies, Ms. Isis Wright, SPED Instructional Assistant, Mr. Quentin Hall, SPED Instructional Assistant; Coffeeville High School: The return of Mrs. Arlene Conley-White, Business Law, Personal Finance, and Entrepreneurship (CTE). Also, you will see some familiar faces in new places: Mrs. Libby Forrester, CES Principal; Mrs. Ashley Polk, SPED Coordinator/ DTC; Dr. Tanesha Johnson, Academic Coach; Ms. Sherryce Beck, District Counselor.** We are very enthusiastic about the possibilities that these new staff members will bring to their new positions.

School districts in Mississippi are required to adhere to State School Board policies as it pertains to student registration. A student will **not** be admitted to school without **two proofs of residency**, a **certified birth certificate**, and **immunization records**. Please visit our website at www.coffeevilleschools.org for **Student/ Employee Handbook and District Calendar** information. For additional information, feel free to call or visit the Central Office. We look forward to serving the educational needs of students in the Coffeeville School District.

With great appreciation,
Dexter T. Green, Superintendent
