WARRIOR PRIDE

Success is the sum of small efforts, repeated day in and day out.

--Robert Collier (1885-1950), American self-help author

Develop success from failures. Discouragement and failure are two of the surest stepping stones to success.

--Dale Carnegie (1888-1955), world-renowned author and speaker

It always seems impossible until it's done.

--Nelson Mandela (1918-2013), South African anti-apartheid leader

Success is not final, failure is not fatal: it is the courage to continue that counts. Winston Churchill

Success isn't measured by money or power or social rank. Success is measured by your discipline and inner peace. Mike Ditka
