HOURS OF EMPLOYMENT

2.1 Hours

- 2.1.1 The traditional work week of a full-time unit member shall be forty (40) hours, Monday through Friday, and the regular work day shall be eight (8) hours exclusive of a duty-free meal period of no less than thirty (30) minutes as assigned by the District in accordance with other provisions of this Collective Bargaining Agreement. A calendar week shall be defined as Monday 12:30:01 a.m. through Monday 12:30:00 a.m.
 - The work week of a full-time unit member working a non-traditional work week shall include five (5) work days and two (2) consecutive days off.
- 2.1.2 Evening Custodians whose regularly assigned work day ends after 7:00 p.m. shall receive a Shift Differential as noted in Article 3.10 of this Collective Bargaining Agreement.
- 2.1.3 Upon hiring, transferring, and/or promoting into a bargaining unit position, the unit member shall be provided by the District with a written work schedule that shall include start time, end time, rest and lunch periods (if applicable). For Bus Drivers, the written schedule shall only include start and end times reflecting the unique nature of their work schedules for rest and lunch periods.

2.2 Adjustment of Work Day

2.2.1 The work day of all unit members shall be established by the District upon hire.

Any permanent change in the work schedule of the unit member working hours of one (1) hour or less shall require written notification to the affected unit member(s) a minimum of two (2) weeks prior to implementation. This two (2) week period may be waived by mutual agreement. Written notice, including a copy of this article (2.2.1), shall be provided during the employee's regular work year. During the

period between notification and implementation, the unit member may request a meeting with the Assistant Superintendent of Human Resources and CSEA to discuss the change. Any permanent shift in work days or work schedule of more than one (1) hour after the date of hire shall be coordinated through the Human Resources Department, and shall be by written mutual agreement of the unit member and the District. If mutual agreement is not reached, the Association and District shall negotiate any proposed change(s).

- 2.2.2 By mutual agreement of management and the employee, a unit member may work temporary flexible non-standard starting and ending time work days based upon demonstrated needs of the department. This clause shall not be used to avoid overtime. The unit member shall not be evaluated negatively for declining a temporary flexible schedule. This agreement shall be in writing and an agreement for any flexible assignment of more than a day shall be forwarded to the Assistant Superintendent of Human Resources (or management designee) and CSEA.
- 2.2.3 Unit members who work a minimum of thirty (30) minutes per day in excess of their part-time assignment for a period of twenty (20) consecutive working days or more shall have their basic assignment changed to reflect the longer hours in order to acquire fringe benefits on a properly prorated basis (Education Code 45136 and 45137). This change of basic assignment shall also include changes in health benefit eligibility.

2.3 Rest Periods

2.3.1 Rest periods of up to fifteen (15) minutes will be provided to unit members during each scheduled work period of four (4) consecutive hours. These paid rest periods, as assigned by the District, should not be combined with another rest period or combined with a lunch period to extend the lunch period. Rest periods shall not be used to shorten the work day. Rest periods are meant to be duty free. Should a

rest period be interrupted by the District, the unit member shall be permitted to resume their duty-free rest period for the amount remaining of the rest period time prior to the interruption. Rest periods must be taken at the time scheduled by the immediate supervisor, unless temporarily changed by mutual agreement.

2.4 Lunch Periods

- 2.4.1 Unit members who work for a period of more than five (5) hours per day shall be granted a duty-free, unpaid meal period of no less than thirty (30) minutes. This lunch period, as assigned by the District, should be taken as close to the midpoint of the employee's regularly scheduled work day as possible. Should a lunch period be interrupted by the District, the unit member shall be permitted to resume their duty-free lunch period for the amount of lunch period time remaining prior to the interruption. Lunch periods must be taken at the time scheduled by the immediate supervisor, unless temporarily changed by mutual agreement.
- 2.4.2 The lunch period for unit members working six (6) hours or less per day may be waived in special circumstances by mutual agreement of the unit member and the Assistant Superintendent of Human Resources (or management designee). Upon mutual agreement being reached by the parties, the waived lunch period shall remain in place for the remainder of the school year, or until one or both of the parties determines a need for the lunch period waiver to be removed during the school year. The mutual agreement must be in writing, signed by the parties, with a copy being provided to CSEA.

2.5 Overtime

2.5.1 The District shall provide compensation at a rate equal to one and one-half (1½) times the regular rate of pay for unit members designated by the District and authorized to perform such overtime. Overtime is any time required to be worked in excess of eight (8) hours in any one work day or any time in excess of forty (40)

- hours in any calendar week.
- 2.5.2 For the purpose of computing the number of hours worked, time during which the unit member is excused from work because of holidays, sick leave, vacation, or other paid leaves of absence, shall be considered as time worked by the unit member.
- 2.5.3 The designation, authorization and allocation of any overtime shall rest solely with the immediate supervisor. Unit members shall not work overtime/extra hours until authorized and approved by the immediate supervisor, except in emergency situations. An "emergency" for the purposes of this section is defined as the effects of natural, manmade, war-caused emergencies, or circumstances which could not have been planned for.
- 2.5.4 Overtime shall be offered, distributed and rotated as equitably as practical within the same classification in the department, first to those who regularly perform the duties and next to those skilled in the duties.
- 2.5.5 Transportation, Maintenance, and Security shall use a weighted system to ensure that overtime opportunities are applied equitably. In these departments, the weighted system resets itself each year on July 1.
 - 2.5.5.1 In the weighted system for overtime, every July 1 an overtime roster is generated by seniority. Both the "worked" hours and the "turned-down" hours of overtime accumulated are tracked on the OT roster. Rules for the sequence of employees asked first are: 1) skilled to do the work and 2) have the least hours worked/turned down. At the end of the fiscal year the hours are reset, and the tracking process starts over. Unplanned continuance of a job will be assigned to the person that started the job and the hours will be tracked on the OT roster.
 - 2.5.5.2 For Maintenance employees at the sites, employees shall respond by

the date set by the immediate supervisor. No response from an employee shall constitute a rejection of the overtime opportunity.

Overtime opportunities shall be flown for at least 72 hours.

- 2.5.6 Forced overtime, by department, will be assigned to the unit member with the lowest seniority first, then assigned upward in seniority to ensure overtime is assigned equally.
 - 2.5.6.1 Seniority is defined in Article 20.3.1.
- 2.5.7 A unit member having an average work day of less than four (4) hours during the work week on a regular basis shall, for any work required to be performed on the seventh day following commencement of his/her work week, be compensated at a rate equal to one and one-half (1½) times the regular rate of pay.
- 2.5.8 When an employee is required to work on a paid holiday listed in Article 6, paragraph 6.1.1 of this Agreement, the employee shall be paid compensation at the rate of time and one-half of the employee's regular rate of pay for all hours worked. This amount of pay is in addition to the employee's regular pay for the holiday which is already incorporated into their monthly salary or even pay calculation.

2.6 Extended Work Day

- 2.6.1 An attempt will be made to hold all work-related meetings during work time. If a unit member is required to attend a meeting outside of regular work hours or on a day not designated as a regular work day, they will be compensated for such time at their regular hourly rate or overtime rate as appropriate.
- 2.6.2 Employees who are scheduled to work less than eight (8) hours per day, and are authorized to work extra hours shall be compensated up to and including the 8th hour at their regular hourly rate.
- 2.6.3 The District shall offer Extended Day Work in the same manner as outlined above

for overtime in Article 2.5.3.

2.7 Call Back Time

- 2.7.1 Whenever a unit member has left the work site and is called back to work when not regularly scheduled to be on duty, compensation will be for a minimum of two (2) hours.
- 2.7.2 In the event a unit member is contacted for a work-related reason after leaving the work site, and is not required to return to the work site, the unit member shall be compensated for fifteen (15) minutes or the actual time to complete the task whichever is greater.

2.8 Release Time for Mandatory Training
