Cadets are required to wear the uniform all day to receive credit/grade for this event. Cadets are allowed a make-up day by wearing the uniform the following day with a valid absence or excuse.

Cadets will be involved in Community Outreach Services, Service Learning Projects, and local Field Trips. It is highly recommended that all Cadets apply themselves and attempt to get involved in the JROTC experience. Involved Cadets are able to achieve and excel in all aspects of their high school tenure, these Cadets are labeled productive cadets. Non-productive cadets normally miss out on the opportunities and benefits the JROTC Program have to offer.
