### Mr. Gussen visits CRS

Mr. Gussen, of the Closter Nature Center, came to visit and show students a variety of animals he cares for. He shared stories and history of the animals and how they became a part of the Nature Center. He also explained how he takes care of them, what their natural habitats are and the foods that they eat. Fun fact, all of the animals at the Center are named after food! Thank you Mr. Gussen for visiting CRS!

## Art with Mrs. Stokes

Students have been creating many masterpieces in Mrs. Stokes' art classes this fall - from personal note cards to Fire Safety posters, as well as many seasonal artworks that they should be proud of! Additionally, the art club at LLE was very busy creating the murals for the the winter concerts that were enjoyed by all!

## Winter Concerts

The annual winter concerts were all incredibly well done! The LLE concert was held on December 8th, the CRS concert for Kindergarten and 1st grade was held on December 15th and we closed our concert series with our Preschool show on December 20th - the performances were amazing!

We would like to thank Ms. Ahn for all of her hard work at both schools preparing the students for the shows. We would also like to thank Mrs. Urban for directing the band and finally, we would like to thank Mrs. Stokes and the art club for all of the decorations!
