LINDSEY STUDENT SUPPORT CENTER

The Lindsey Student Support Center brings opportunities for learning and cohesiveness to the surrounding community, as well as services aimed at educating the whole child. Young children benefit academically and socially from having programs dedicated to early learning and literacy housed within the center. Students and parents have access to supports and services outside of school hours. Office space is provided to community partners, making key resources available to parents and families. The Lindsey Student Support Center serves as a valuable asset to the surrounding community as well as the entire District.

Services:

- Success Lab
- Literacy Center
- Technology Lab
- Summer Meals
- Food Pantry
- Training Space
- Resource Room
