1. Behave and follow the rules of the teachers and the school.
2. Listen attentively in class, ask questions, and participate in the discussion.
3. Write your assignments in your agenda book.
4. Complete your homework assignments neatly and legibly and submit them on the day they are due.

Attendance at school daily is an important part of making the school year successful. Please do your best to make sure that you attend school every day. The homerooms with the best attendance records monthly will be recognized.

Bus students will enter the building in a safe and orderly manner using the front entrance adjacent to the bus-loading zone. Dismissal will take place at the same locations. Students are asked not to report to school earlier than the scheduled starting time and are expected to leave for home immediately following dismissal. **Students must be picked up by 3:15.** All students must follow these rules:

1. Enter the building in a safe and orderly manner and report directly to homeroom.

For safety reasons, students are not permitted to walk near the buses or in the bus-loading zone when the buses are moving.

HALF-DAY SESSION

Preschool -8 8:15-12:15

All children between the ages of 6 and 17 must attend school every day that school is in session unless the child is ill. Responsibility for having children attend school solely rests with the parent/guardian. It is important for a student to attend school each day to achieve good grades and learn the subject matter taught in each class. When your child is absent, parents/guardians must call between 7:45-9:00 am:

Elementary Office 487-7900 Ext. 5210

Middle School Office 487-5850 Ext. 5250

When a child is absent:

- A. Call to report absence. When a call is not received, verification of the student's absence will be made through an automated call to the home number listed.
- B. Send the school a written note including dates of absence and reason for student records when student returns. When a student is absent for 5 or more consecutive days, he/she must have a doctor's note to be readmitted to school. Absences confirmed by a doctor's note will be listed as excused absences.
- C. Communicate with your student's teacher re: homework information.
- D. Frequent or excessive absences (not suspensions) will be reported to the Ventnor authorities by filing a notice for legal inquiries into the student absences.

Students who are absent from school or on suspension are not permitted to do the following:

1. Be on school property.
2. Participate in or attend school activities.

Students who are absent for **19 or more days** are in jeopardy of not satisfactorily completing the requirements for promotion to the next grade level. Students who accumulate more than 19 absences or 19 tardies to school may not be permitted to attend the class trip, after school activities, assemblies, and other celebrations at the discretion of administration.

Please try to limit the need for early dismissal. If it is necessary, parents or guardians who request early dismissal for their son/daughter must report in person with identification at the Security Window to sign the student out of school. The security staff will call the teacher to send the student.

Elementary Perfect attendance will be celebrated with the principal at the end of the year.

Additionally, School Attendance Matters recognition will be provided through drawings for most improved and perfect quarterly attendance. To be awarded a Perfect Attendance Certificate, the student must be present the entire day for the entire school year.

DISCIPLINE

STUDENT OF THE MONTH

Students grades K-4 will be recognized monthly to reward model behavior. Celebrations at the end of each marking period may be held with the principal for students who have earned student of the month.

CARE OF SCHOOL PROPERTY

We are proud of our school and hope you will do your best to share in this pride.

Each student is responsible for keeping their school, and the grounds surrounding it, neat and clean. Students are to leave pencils, crayons, markers, pens, or other writing implements in the classroom when they go to the lavatory. Parents and guardians of any student who damages or destroys any school property shall be liable to the Board of Education for the amount of the damage.

Students should be aware teachers and school administration may search their desk area or locker at any time deemed necessary.

DRESS CODE

In an attempt to maintain and support a thorough and efficient system of education and to avoid the disruption of the educational process; and, in an attempt to protect pupil health, safety, and welfare, students and parents are required to select appropriate attire for the school atmosphere. Inappropriate dress is that which may be disruptive to the educational process, distract students from their work, or may be considered potentially dangerous or harmful. In most instances if students dress appropriately, they perform better in school; therefore, a distinction between school clothes and play clothes must be made. The following dress standards are designed to serve these purposes and are expected to be followed. Consequences for dress code violations can be found in the Ventnor Elementary Student Code of Conduct.

Clothing that is unacceptable and should not be worn to school include the following:

- Extremely low-cut, tight fitting or transparent clothes, bare midriffs, and suggestive clothing.
- Skirts, dresses, pants, and shorts that end higher than the mid-thigh.
- Outdoor jackets, coats or hats worn in the building/classroom.
- Bare feet, unsafe footwear, cleated shoes, and footwear that is intended for the beach.
- Patches and decorations that are offensive or obscene.
- Undershirts (underwear) worn without an outer shirt; boxer shorts.
- Pants worn far below the waist.
- Clothing that is overly soiled, torn, worn, or defaced.
- Nonprescriptive sunglasses, glazed, and tinted glasses, except as prescribed by the student's doctor.
- Tank tops.

EMERGENCY CARD AND CHANGES OF ADDRESS AND TELEPHONE NUMBER

It is imperative that student information be kept up to date in case an emergency occurs. Please be sure all contact information in your Realtime Parent Portal is current. Contact information should include all parents/guardians as well as at least 2 people authorized to pick up your student/s in the event a parent cannot be reached.

Any changes in address, phone numbers, or guardianship must be reported to the office as soon as they are known. The following documents will be required when a student has a change of address:

Homeowner: Copy of Deed or Tax Bill/Mortgage statement and utility bill

Lease/Rent: Certificate of Occupancy, utility bill and copy of new lease.

FIRE/ SECURITY DRILLS

In accordance with New Jersey State Law, fire drills, lock down, security and school evacuation will be held monthly. The purpose of a fire drill is to prepare for an emergency evacuation of the building. Signs are placed in each classroom instructing students on the proper method of exit for each room.

At the sound of the alarm, students should stop working and walk in a quiet and orderly single file line to their emergency exit. If an exit is blocked, students are to retrace their steps and leave the building by the closest exit, waiting for other students to precede them out of the building. Student's will listen for their teacher's direction. When the return signal is given, students are to return to their classes in the same manner as above.

All other security drills will prepare students to practice for other types of school emergencies that may occur. Parents will be notified of security drills via email.

GUIDANCE SERVICES

It is the responsibility of the guidance counselor to meet the educational, personal, social, and/or vocational needs of the student. To confer with the counselor, administrator, a teacher or a peer mediator, an appointment can be made.

Elementary Counselor	Jenna DiMauro	609.487.7900 X5300	jdimauro@veccnj.org
Middle School Counselor	Chelsea Hoffman	609.487.7900 X5040	choffman@veccnj.org
Guidance Counselor	Brianne Westlake	609.487.7900 X1601	bwestlake@veccnj.org

HEALTH SERVICES

The Health Office is located in the center of the building. Our school nurse is prepared to take care of minor accidents and illnesses. The nurse is not permitted to diagnose any illness or prescribe medicine. Students who need the nurse must have a referral slip from a teacher or an aide. If the nurse is out, the student should go to the main office.

Students should immediately report any accidents to school officials. Parents will be notified of any illness or accident that requires further medical care. Parents or emergency contacts must pick up students and sign them out at the security window. No student can leave school without the permission of the nurse or principal.

The Ventnor Board of Education policy allows the administration of prescription medication to pupils during school hours only when failure to take such medicine would jeopardize the health of the pupil, or the pupil would not be able to attend school if the medicine were not made available to the pupil during school hours. The State of New Jersey has very specific guidelines for the administration of medication in school. Medications may be administered if the parent brings a doctor's prescription stating the reason or purpose of administering the medication, and possible side effects of the medication. These doctor's orders are good for one school year and must be resubmitted each year. If your child's physician orders a prescription for your child that requires administration during the school day as well as in the evening, ask the pharmacist to give you a separate container for school. This medication needs a pharmacy label with the student's name, the physician's name, and directions for administration. No over-the-counter medications are given without a doctor's prescription. The Ventnor Board of Education assumes no liability for the administration of medications. All medications must be brought to the school nurse by a parent. Medications cannot be dropped off or sent in with a student. All medications must be picked up at the end of the school year.

Students who have permission to self-medicate in school may also self-medicate on a field trip. We encourage parents of students who suffer from asthma or other potentially life-threatening illnesses to accompany their child on field trips.

Tuberculosis testing is required for new students who transfer to Ventnor from outside of the U.S.A. according to the NJ Department of health guidelines.

Periodic head checks are done for head lice. Children found to have head lice are not permitted to return to school until the school nurse checks them and finds that no head lice or nits (eggs) remain. It is recommended that parents check their children for head lice on a regular basis. The school nurse must be notified if head lice or nits are found, so the rest of the class can be checked. Head lice spreads quickly.

Please notify the school nurse of any health changes your child may experience such as allergies, asthma, required daily medications, serious injuries, etc.

Children who are ill should not be sent to school. Please do not send children to school when they have any of the following symptoms: fever, diarrhea, sore or infected throat, nausea and vomiting, head lice (nits), untreated cold or cough, swollen or infected eyes, skin rash, tonsillitis, or contagious diseases. Keep your children home at least one full day (24 hours) after a fever or vomiting. Infections being treated with antibiotics require a child to be taking the antibiotic for one full day (24 hours) before returning to school.

It is imperative that the school be notified if you change your phone number, address, workplace, or workplace phone number. Supply the names, addresses, and phone numbers of two (2) people to be contacted who will assume responsibility for your child(ren) in the event that you cannot be reached and need to pick up your child from school in time of illness/injury.

Breakfast is a very important meal. Hungry children cannot concentrate on schoolwork. Please provide your child/children breakfast every day. All students are invited to participate in our school breakfast program. Please contact the school for further details on this program.

Children's clothing should be appropriate for the season and weather. Please see that your children are dressed appropriately.

HOMEWORK POLICY

When your child is absent, you should communicate with your student's teacher to obtain your child's homework assignments. The Ventnor School District believes homework is a valuable aid in helping students master new learning experiences in school. Homework is important because:

- It prepares students for upcoming class topics.
- It teaches students to work independently.
- It aids in evaluating student progress.

The following policy presents the district's guidelines concerning homework.

Teacher Responsibilities:

1. Teach students how to do homework responsibly.
2. Assign homework that is pertinent to class work and provides practice.
3. Communicate among team members to determine the amount of homework assigned each night.
4. Check and evaluate homework, counting it at least 10% of a student's grade during a marking period.
5. Provide motivation for students to do homework.
6. Consistently follow the homework policy and follow the consequences listed in discipline policy to charge repeat offenders.
7. Communicate with parents when a student consistently does not return homework.
8. May provide classroom consequence for students that do not complete homework assignments.

Student Responsibilities:

1. Follow the homework policy; comply with discipline/homework contract.
2. Write assignments in homework notebook or agenda book.
3. Return homework on time and neatly completed.
4. Make-up missed homework within the time set by the teacher.
5. Inform your parents of your homework and the need for a quiet environment where you can complete it.

Parent Responsibilities:

1. Communicate with your child about homework.
2. Establish a daily time for your child to do homework and be available to assist.
3. Provide needed supplies and a quiet environment for your child to do homework.
4. Plan a homework drop spot where the child will leave all materials that need to be returned to school.

IDENTIFICATION CARDS

All students of the VECC must wear their identification cards on school grounds and on district buses.

INSURANCE

The Ventnor City Board of Education has purchased school insurance for all students who attend the Ventnor Elementary School during the 2023-2024 school year. This insurance will provide coverage for our students from the time they leave for school in the morning until they return home at the end of the school day. In addition, students are covered when participating in after school activities or our athletic program.

LOST AND FOUND

A lost and found department is maintained in the cafeteria. Items found, but not claimed, are discarded after a reasonable amount of time. Parents are urged to label clothing, book bags and other personal items.

LOST OR DAMAGED BOOKS

Students are held responsible for all books issued to them. All textbooks must be covered to preserve the binding of the books. Any student who loses a book must report the loss to the teacher who issued the book. A replacement book will be issued, and the student will be responsible for payment of the lost book. Students who damage or deface any school textbook(s) will also be held financially responsible for the replacement of the damaged textbook(s). Report cards will need to be picked up for students owing a financial obligation.

PARENT ORGANIZATIONS

The **Ventnor Home and School Association** is continually active in working towards achieving the objective “to bring closer relations between the home and school, so that parents and teachers may cooperate intelligently in the education of children and youth.” Proceeds from fundraisers sponsored by the H.S.A. are used to provide entertaining and educational assembly programs and trips for the students as well as other activities during the year. Trips and assemblies are subject to change. Meetings are held monthly, and parents are invited to attend.

PHYSICAL EDUCATION

No marking sneakers are to be worn on physical education days. Sneakers with extra thick soles will not be permitted. Please consult your child’s schedule for gym day. Appropriate dress must be worn on gym days (i.e., sneakers, no dresses, no jewelry, no baggy clothes). A doctor’s note must be provided when your child cannot participate in physical education class.

REPORT CARD GRADING CRITERIA

At the present time, letter grades are assigned to report cards in grades 3 and 4. Additionally, teacher comments may be included by numbers that indicate strengths and weaknesses in academics and general class behavior. The numerical-letter correlates are listed as follows:

100-93	A	Excellent	E
92-85	B	Very Good	G
84-75	C	Satisfactory	S
74-67	D	Poor	NI
66-0	F	Failing	U

In lieu of letter grades (A–F) in Kindergarten – 3rd grade, students will be evaluated using a standards-based report.

As a further communication among the school, the home, and the student with regard to the student’s behavior-academic achievement, individual and/or team conferences between or among the aforementioned, are to be assigned by the school or may be solicited by the parents. In this way, we will provide a system beneficial to each student.

General conduct grades are assigned each marking period. Grades are as follows: Excellent, Satisfactory, Needs Improvement and Unsatisfactory. A grade of Unsatisfactory will keep a student off the Honor Roll. Honor Rolls for grades 3 and 4 will be posted following each report card period and will be based on the following:

- “A” Honor Roll - A’s in all Subject areas and “B”, “E”, or “G” in Specials or cycle classes.
- “B” Honor Roll -A’s & B’s in all Subject areas, and “E”, “G” or “S” in Specials or cycle classes.

REPORT CARDS

Parents are requested to carefully examine their child’s report card. Parents then keep the report card, sign the bottom, and return the acknowledgement to school with their child.

STUDENT PROGRESS REPORT AND/OR INTERIM REPORT

Elementary progress reports will be sent on an as needed basis.

SCHOOL CLOSINGS

The school will not be responsible for pupils after emergency dismissal. Parents who are not home during school hours should make arrangements for their children in advance of such emergencies. In the event of stormy weather or other unforeseen reasons causing the closing of school, announcements will be made via School Messenger phone call and email. Additionally closing information can be found over radio stations WFPG, **WMID**, and **WOND** and **WPVI-6 on TV**.
