FINANCIAL REPORT FOR THE YEAR ENDING JULY 14, 1913.

READ THIS.—If the following report is correct, the totals of receipts and expenditures **will balance.** Care should be taken to enter each amount under its proper heading, and to enter no amount twice. If money other than the funds of the district is advanced by any one in paying teacher or for other expenses, it should be included in the item "Received from Loans." It is really money borrowed, and should also be included in the "Indebtedness" (item 10 above). Do not foot up the columns alike unless they actually add up alike.

RECEIPTS.

READ THIS.— Insert nothing here that has not come into the treasurer's hands; give exact amount of each fund separately and put nothing under any head save what the head indicates. Moneys from funds overdrawn or advanced by any person, or loaned, should be under the head "from loans." Money remaining in the hands of the township treasurer has not been "received" by the district and no account should be here taken of it; include that in "Amount due the district" (item 17 above).
