Quotations from The Outsiders: Who said?

“sixteen years ain’t long enough”:

“Why do people sell liquor to boys? Why? I know there’s a law against it, but kids get it anyway.”

“To have somebody lay down the law, set the limits, give him something solid to stand on> That’s what we all want, really.”

“There sure is a lot of blood in people.”

“He’s hard as a rock and about as human ...He thinks I’m a pain in the neck...”

“I can’t stand fights ... I can’t stand them...”

“...you don’t just stop living because you lose someone. I thought you knew that by now. You don’t quit!”

“Things were rough all over, but it was better that way. That way you could tell the other guy was human, too.”

“If they win, things go on as usual. If we do, they stay outa our territory but good.”

“Rat race is a perfect name for it. We’re always going and going and going, and never asking where.”

“I think I like it better when the old man’s hittin me.”
