Crazy Horse School Foster Care Plan

Under the requirements of the federal Every Student Succeeds Act (ESSA) Section 1112(c)(5)(B) Title I educational stability provisions, each school district shall have a Foster Care Plan developed and disseminated to all stakeholders.

In Section 1111(c)(5) of ESSA, the school district must collaborate with the Child Welfare Agency and Tribal Child Welfare Agencies (CWA) to implement the Title I educational stability provisions. Therefore, each school district shall develop a clear, written Foster Care Plan. As such, the Foster Care Plan for Crazy Horse School shall be as follows:

1. Foster Care Point of Contact and responsibilities

The Crazy Horse School will designate at least one person to serve as the Foster Care Point of Contact (POC). The POC may also be the homeless student coordinator. This designation will be updated annually. If additional staff members are needed to meet the requirements, the Crazy Horse School will make assignments as deemed necessary. The POC will work in the best interest of the child to ensure that all educational requirements are being met.

The POC will work closely with the Child Welfare Agency (CWA) to:

- Coordinate with the corresponding child welfare agency POC to implement Title I provisions;
- Lead the development of a process for making the best interest determination;
- Document the best interest determination;
- Facilitate the transfer of records and immediate enrollment;
- Facilitate data sharing with the child welfare agencies, consistent with FERPA and other privacy protocols;
- Develop and coordinate local transportation procedures;
- Manage best interest determinations and transportation cost disputes;
- Ensure that children in foster care are enrolled in and regularly attending school; and
- Provide professional development and training to school staff on Title I provisions and educational needs of children in foster care, as needed.

2. Decision-making process

A committee will meet to determine if the school of origin is not in the best interest of each foster care child and the appropriate placement of the child. The committee will be comprised of

the site administrator or representative, the POC, and a member of the CWA. In emergency circumstances the CWA has the authority to make an immediate decision regarding the school placement, and then consult with the LEA and revisit the best interest determination of the child.

In the event of a disagreement regarding school placement for a child in foster care, the CWA will be considered the final decision maker in making the best interest determination. The CWA is uniquely positioned to assess vital non-educational factors such as safety, sibling placements, the child's permanency goal, and other components of the case plan. The CWA also has the authority, capacity, and responsibility to collaborate with and gain information from multiple parties including parents, children, schools and the court in making these decisions.

3. Documentation or records that should be shared between parties:

Foster care parents, social workers or other legal guardians will be allowed to immediately enroll children in foster care in the school district without having the necessary paperwork (birth certificates, shot records, academic records, special education records, etc.) This is to help aid the student with a smooth transition into the district. The receiving school district will contact the school district of origin for the records and make adaptations as needed. After enrollment, the following guardianship or legal custody documents shall be provided for verification by the foster family or CWA:

- Power of attorney
- Affidavit
- Court Order

Crazy Horse School will share education records with the CWA that are allowed by the Family Educational Rights and Privacy Act (FERPA) and other state privacy laws. This allows educational agencies to disclose without parental consent educational records, including IDEA, of students in foster care to the CWA.

4. Collaborative structure

The POC will meet with the site administrator, school counselor, classroom teacher, and foster parent as needed to discuss the progress of the child in foster care and will document the results of meetings. All decisions will be made utilizing a collaborative team approach to determine what will be in the best interest of the child.

5. The best interest determination document regarding the child's school placement (school of origin or the receiving school).

Crazy Horse School shall utilize the following sample form from the Oklahoma State Department of Education in making a "best interest" determination for each child in foster care. The final determination as to what is in the best interest of the child will be made by the CWA.

6. Transportation procedures.

Children in foster care will be entitled to transportation services in the same manner as all other children in the school district. In addition to regular transportation routes, the school district will collaborate with the CWA when transportation is required to maintain children placed in foster care in a school of origin outside their usual attendance area or district when it is in the best interest of the student. Under the supervision of the Crazy Horse School the POC will invite appropriate district officials, the CWA, and officials from other districts or agencies to promptly arrange cost-effective transportation for the student.

7. Responsibilities and costs related to student transportation.

Crazy Horse School will collaborate with the CWA to develop and implement clear, written procedures governing how transportation is provided to maintain children in foster care in their schools of origin. The school district will also work with the CWA to reach an agreement regarding covering the transportation costs. The agreement will cover how the transportation will be provided, arranged, and funded for the duration of the child's time in foster care. Each agreement can/will vary greatly because the unique needs of each child should be considered in making the decision on transportation.

8. Clear, written policies that will remove barriers to immediate enrollment and record transfers for children in foster care. Crazy Horse School Board has modified existing board policy to eliminate any barriers to enrollment and/or transfer of educational records for children in foster care.
