### **Responsibility, Ownership, Attitude, Relationships**

#### **Vision for Emily Gray**

Emily Gray Junior High provides academic excellence and a foundation for continued learning within a safe and supportive community that empowers all students to achieve.

#### **The Mission of Emily Gray**

Through a well-balanced curriculum and extracurricular experiences, our school sets high expectations for students to be resilient, foster positive relationships, and achieve academic success.

Dear Parents and Students,

Emily Gray Junior High School is proud to welcome you into our tradition of excellence in student achievement and community involvement. Please take time to read the information in this handbook together and discuss it as a family. As you adjust to junior high, we encourage you to explore the responsibilities and opportunities this transition provides families, and students as individuals. Our staff is committed to the mental, physical, and social growth of our students as they mark these important milestones in their education.

It is important that all of us demonstrate good character by following guidelines put in place to support each of us in doing our very best. We are all responsible for making good decisions and learning from the choices we make. This is an important part of growing up and learning to be responsible for our own behavior. Please note that this document is not a comprehensive list of all district policies and that these summaries are not a substitute for the policies themselves. District policies can be found on the district website.

#### **Non-Discrimination Statement:**

Tanque Verde Unified School District does not discriminate on the basis of race, color, national origin, age, sex or disability, in admission or access to, or treatment or employment in its programs and activities. Any person having inquiries concerning the school's compliance with the regulations implementing Title VI of the Civil Rights Act of 1964 (Title VI), Section 504 of the Rehabilitation Act of 1973 (Section 504), or Title II of the Americans with Disabilities Act of 1990 (ADA), may contact the Tanque Verde School District's Director of Student Services.

**FERPA Statement:**

The Family Educational Rights and Privacy Act (FERPA) affords parents certain rights with respect to their student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask to amend a record should write to the school principal and clearly identify the part of the record they want changed, and specify why it should be changed. If the district decides not to amend the record as requested by the parent or eligible student, the school principal will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to privacy of personally identifiable information in the students' education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School System as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School System has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or a parent, student or other volunteer assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School System discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School System to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-1605

## **GENERAL PROCEDURES**

### **Admission Requirements**

Tanque Verde Unified School District requires students to live within the school district boundaries. Residency of the parent/guardian or surrogate may be determined by showing the individual's presence and intent to remain in the District. Documentation of residency may include, but is not limited to, current landlord-tenant agreements, property tax statements, current closing papers and mortgage statements.

The district's schools are required by the School Board to ascertain that all students attending Tanque Verde schools meet the District's residency requirements.

If at any time during the school year it is determined that false or incomplete information has been submitted in order to enroll a student at any Tanque Verde school, it may require an immediate withdrawal from the school.

### **Open Enrollment**

Arizona State law requires each school district to develop Open Enrollment Policies, allowing students living outside of district boundaries to attend our schools. This parental choice option has been available since 1994 and is determined by local district policy. Open Enrollment status is determined on a school-year by school-year basis. There is no guarantee of continued Open Enrollment placement; students are subject to school, grade level, service capacity and program limitations.

### **Student Arrival**

The Emily Gray campus is open for student arrival at 7:50 am. Before this time, there is no supervision provided for students. Please plan your arrival for 7:50 am or later. The campus is locked at 4:00 pm.

### **Visiting the Emily Gray Campus**

If you have school-related business, please report to the office to sign in and be issued a visitor badge to be worn for the duration of your visit. To be as efficient as possible concerning campus operations, visitors must adhere to the following guidelines:

- While visitors are on campus, they should follow all rules established for students.
- According to A.R.S. 15-507 a person who abuses a teacher or other school employee on school grounds or while the teacher or employee is engaged in the performance of his/her duties is guilty of a class 3 misdemeanor.

We appreciate your cooperation in keeping our campus safe.

### **Home and School Communication**

Emily Gray Junior High School uses Constant Contact for our weekly newsletter to provide students and families with information about upcoming events and important dates. This newsletter is our primary form of communication. You must sign up to receive the newsletter. Visit the school website, use this link <https://lp.constantcontactpages.com/su/qNiu2rB> or you may email our Office Manager, Sam Baires at [sbaires@tanq.org](mailto:sbaires@tanq.org) for assistance.

### **Emily Gray Junior High School's Website <https://egjh.tanqueverdeschools.org/>**

This school website is a one-stop shop for all school calendars, lunch menus, access to the school store and to manage lunch accounts, teacher information and more.

## **ParentVUE & StudentVUE**

ParentVUE/StudentVUE is a web-based communication tool that allows parents/guardians and students to access report cards, grades, grade book, attendance information, complete required yearly back to school registration, and update contact information throughout the year. Secured login access is issued by the school. If you are having complications with setting up your ParentVUE or StudentVUE account, please contact the school office for assistance.

## **Lockers**

Lockers are provided for student use and are located in our school courtyard. Locks will be provided at registration for a yearly rental fee of \$5.00. This fee may be reassessed each time the lock is lost or missing, requiring assignment of another. The decision to reassess the fee is made at the discretion of the office staff. By accepting a lock and locker assignment, the student and parent accept financial responsibility for damage that arises from misuse or abuse of the locker.

Because lockers are not secured, students who place items in their lockers overnight or over weekends and holidays do so at their own risk. It is also required for security reasons that students never share a locker with another student or allow another student knowledge of their locker combination. Students found to be using or entering another student locker other than their own, or changing the locks, will be subject to disciplinary action per administration. The locker must be locked at all times with the provided lock. Only locks provided by the school will be permitted. Lockers without locks will be emptied and locked by administration. The outer face of the lockers is not to be decorated without pre-approval of the office staff. Stickers are not allowed in or on lockers. Lockers must be completely cleaned out and all inside items must be removed at the end of the year.

School officials reserve the right to inspect any locker at any time, and to gain access by any means necessary. School officials may change locker assignments or revoke locker privileges if lockers are not maintained in a neat and clean fashion, student abuses, misuses or vandalizes his/her locker.

## **Passes**

Students are not to be out of the classroom during class time without a provided hall pass from the teacher. Teachers will also require students to sign in and sign out on the classroom log to leave the room for any reason. Students called for meetings with administration, counseling, or the nurse, will receive an office pass.

## **Lost or Found Property**

EGJH's lost and found is in the administration office. Please be sure to check lost and found for missing items routinely. Anything brought to school is the responsibility of the student. If students' property has been lost or stolen, contact the school office. However, there is no guarantee for recovery of the lost or stolen item or replacement.

## **Backpacks**

Backpacks are suggested for carrying materials between home and school. Backpacks are not allowed in classrooms (slim computer bags and Tracker Keepers are exceptions). A backpack, slim computer bag or Trapper Keeper must fit securely inside the student's locker. Backpacks must remain in lockers throughout the school day.

## Cell Phones and Personal Electronic Devices

Though we do not prohibit personal electronic devices on campus, there are restrictions on their use in the school setting. Students bringing personal electronic devices including cell phones, earbuds, headphones, smart watches, or other devices used to communicate with others and/or access information online, and associated items, do so at their own risk. In the event of theft or damage to any such device, it is the policy of the administration to not investigate.

Cell phones and all personal electronic devices are not allowed in classrooms during instructional time unless explicitly directed by the teacher. At no time are students to have hands-free phone devices in or covering their ears. Any personal electronic device that creates a visible or audible distraction to either the individual student or to the class during a class period will be immediately confiscated by the teacher and passed to administration. Teachers may direct students to use wired earbuds with Chromebooks on an 'as needed' basis. Teachers will not use phone time as a classroom reward, including listening to music.

Cell phones and personal electronic devices are to be powered off and stored in student lockers during instructional time. Use of cell phones and personal electronic devices are allowed only during lunch, before school, and after school.

### Consequences for the misuse of cell phones and personal electronic devices

- 1st occurrence - Device is confiscated followed by a conference about the infraction with office staff and the student.
- 2nd occurrence - The parent must collect the device from the office with the student.
- 3rd occurrence - The student will no longer be permitted to bring the device to campus for the remainder of the school year.

Taking a teacher, staff member or student photo, audio, or video recording, for personal use or posting on social media or anywhere others can access, with or without their full knowledge and consent is a violation of school expectations and may be a violation of the law in certain circumstances. Any such behavior will be treated as a violation of the TVUSD code of conduct and subject to disciplinary action.

## ATTENDANCE

The Arizona compulsory attendance law, (Arizona Revised Statute (A.R.S. 15-802) makes it a legal responsibility of parents to have their children in school on a regular and daily basis.

Regular, consistent attendance is directly related to successful academic achievements by students. Class attendance is an integral part of the academic process; therefore, excessive absences, either excused or unexcused, may result in a student losing progress towards successful completion of required coursework and academic requirements. It should be understood that although there are a number of procedures in place to keep students and parents aware of attendance status, it is ultimately a student/parent responsibility to keep track of attendance in each class.

### Absences

When sickness or other obligations make an absence necessary we request that a student's parent call the office or complete a notice of absence through ParentVue by 10:00 a.m. the morning of the absence. **The attendance telephone number is 520-749-3950.** Attendance can be submitted ahead of time through ParentVue. The state and county require that the school keep data of the reasons students are absent from school. For this reason parents will be asked about the specifics of the child's absence. Examples: illness, out of town, doctor appointment. If the school does not receive a phone call or ParentVUE form with notification of absence, the school office will try to verify the absence by calling a parent. If that is not possible, the student must bring a written note signed by a parent or legal guardian giving a reason for the absence upon their return to campus. Unverified absences will be coded as truant. If parents need to call before 7:30 a.m. or after 4:00 p.m. please call 520-749-3950 or 520-749-3838 and leave a message.

## **Excused Absences**

The following constitute excused absences:

- Personal illness
- Doctor/dental appointments with documentation from the professional (Please consult the district school year calendar and make every effort to schedule appointments on non-school days.)
- The serious illness of a family member
- The death of a family member
- A required court appearance
- Religious holidays

## **Consecutive Absences**

If a student is absent for more than one day, the parent needs to call every day of the absence. The office will not assume the child is still sick. State law requires that students who are absent for ten consecutive days without notification be unenrolled.

## **Unexcused Absences**

An unexcused absence will occur when there is no telephone call/message or written notification of the absence from a parent or legal guardian within two school days. This type of absence may be deemed as truant and could be reported. Teachers are not required to allow students to make up work missed during an unexcused absence. Please do not put your child in a situation where they may not be able to make up school work.

## **Known Absences**

If parents remove a student from class for vacations or other recreational purpose, please understand that:

- Teachers are not required to provide any work in advance. Teachers post assignments in Google Classroom. Please check Google Classroom for assignments. The student has a day for each day missed to complete the classroom work/homework. It is entirely up to the student to obtain the missed work and seek additional assistance at the teachers' convenience.
- If parents/students request homework to be provided in advance, teachers will expect this work to be completed by the date of the student's return. If homework is not completed by the date of the student's return, it will be considered late.
- Tests need to be made up within five school days after returning, even if the absence exceeds five days.
- Prior to the absence, notification must be from the parent or legal guardian directly to the school office, not to the teacher.

## **Excessive Absences**

A student who is absent for ten (10) or more class sessions during a semester of the school year will be notified on multiple occasions regarding these absences. The parent(s) shall be notified in writing after the student's sixth (6th) and eighth (8th) absence in any class or classes during a semester. Such notice shall identify the class or classes and dates on which the student was absent, and the notice shall also indicate that a total of ten (10) absences will result in the student and parent being called before an administrative review board. The parent shall be informed of the time and date of the hearing and any other pertinent information. The review board shall consist of the principal, or designee, and appropriate faculty members. At the hearing, the student and/or the parents may present information to demonstrate special academic or other appropriate allowances.

Excessive absences will result in the following consequences:

Six (6) absences - First (1st) notice

Eight (8) absences - Second (2nd) notice

Ten (10) absences - Review board hearing

## **Truancy**

Any unauthorized absence from any class, or activity during the school day for which the student is scheduled is considered truancy. This also includes any after-school special-help session, Bobcat WIN time, or disciplinary session that the student has been directed to attend. Truancy is a violation of state and local attendance laws and is considered a serious offense. **Please remember that TVUSD is following the guidelines that the state and county government have set.** The school will notify the parent(s) of intent to take action and enforce the truancy laws. A minimum of three (3) unexcused absences may result in the school forwarding violations to the appropriate authority.

## **Tardy to Class**

A student is tardy to class if he/she is not in the classroom, and prepared to work, when the final bell rings. When a student is tardy to class, the teacher will sign the students' Tracker signature page. A student must have a front office pass to have an excused tardy.

## **Arriving Late/Tardy to School**

Students are encouraged to be on time to school every day. If a student arrives late to school, they must be signed in at the office by a parent/guardian. Lateness due to health appointments documented by an appointment card will also be excused.

## **Student Laptops**

Students are required to bring their fully charged laptop/chromebook to class each day. Students will be issued a chromebook from the school once parents have completed their back to school registration and submitted the device waiver. Chromebooks are the property of the school and should be cared for properly. If broken, damaged, or lost, parents will assume financial responsibility. Chromebooks and chargers are available to borrow from the library in certain circumstances.

## **Leaving Early**

If a student has to leave early from school, the student must be signed out from the school office by the parent or guardian before leaving campus. Office personnel will not allow students to sign themselves out. Proper notification is required before students may leave with adults other than their parent or guardian.

## **Food from Outside Vendors**

To ensure the security of our campus, delivery service through vendors is not permitted. However, food and flowers for students brought to the school by their parents/guardians is permitted. Balloons are not allowed on campus.

## Schedules/Schedule Changes

Students are instructed to make informed choices about their courses and to carefully review the course selections for the upcoming school year. Course requests, submitted the previous spring, will determine staffing, class sizes and the structure of the master schedule. Parent permission is required for all schedule changes. Requests for schedule changes should be made to the counselor during the first five days of each semester. All requests for schedule changes are subject to limitations due to class size. Students must remain in scheduled classes until they are notified of approval by receiving a printout of a new schedule. Schedule changes are not guaranteed and should only be made if necessary.

Emily Gray Junior High School administration reserves the right to change student schedules in order to ensure students are in proper academic settings, create a safer environment, balance class size, or any other reason to improve the education of the student and educational climate of the school.

## HEALTH OFFICE

- Immunizations must be current for the student to enter school

Complete immunization records from a former school or physician's office are required by AZ State Law Arizona Administrative Code 9-6-701 – A.A.C. 9-6-705 the day of entry into school. Immunizations may be obtained from private physicians or at the Pima County Health Department walk-in clinic.

### Health Office Medication Procedures

Certain health problems require that students take medication during school hours. For the student's protection we have established the following procedures for taking medications at school.

1. **Prescription Medication:** Must be in the **original containers**, and **accompanied by a physician label** and a **signed parental consent form**. Physician orders for medications **MUST** state the name of the medication, strength, dosage to be given, frequency, route, and indication (reason for giving the medication).
2. **Over-the Counter (OTC) Medication:** Must be in the original container. The health office tries to maintain adequate supplies to provide acetaminophen (Tylenol), ibuprofen (Advil), calcium carbonate (Tums), cough drops and diphenhydramine (Benadryl) to be dispensed with parent

permission only. These medications are in tablet form. Please consider donating these items if your student will require them/prefers liquid.

3. **Rescue Medication:** Students may carry rescue medication with them during school as long as they provide a signed form from their parent/guardian to the health office. These may include rescue medicine for asthma, allergies and diabetes. **Prior arrangements must be made for self-carry rescue medicines through the health office.**
4. **All Medications:** All medications, including over the counter medications, will be kept locked in the health office. No student may keep non-rescue medication anywhere but in the health office. All medications must be in the pharmacy bottle properly labeled or in the original store packaging.
5. **Feminine Products:** The feminine products are conveniently and privately located in the nurses bathroom in a white 3 drawer storage container. Students do not need to ask for feminine products. They ask to use the nurses bathroom then choose their products of preference. All other items are given to students as needed by the nurse.

**Parents are asked to notify the Health Office as soon as possible if there are changes/updates to their student's health and/or medications. These updates must be updated annually by parents.**

### **Injury/Illness**

For the safety of ALL students, students must check in with the school nurse before going home for any illness or injury. Students should not call parents without first talking to the nurse.

If your student needs assistance to and from class due to injury or illness please see the nurse for a pass. If your child is in need of special health services, please advise the nurse. Any change in condition should be discussed with the nurse.

### **Fever**

A child with a fever of 100.0 degrees or higher should remain home. Parents are asked to please call the school when students are absent due to fever. If a child has a temperature of 100 degrees or higher while at school, the parent is to pick up the child immediately after notification of illness. Students should stay at home fever-free 24-hours without the use of medication.

### **Vomiting/Diarrhea Illnesses**

Students should stay home for at least 24 hours after the last episode of vomiting and/or diarrhea.

### **Chronic Health Conditions**

If your student is suffering a chronic health condition, please contact school administration for support and guidance. A new chronic health form must be submitted each school year. They do not carry over from year to year. A new chronic health form must be submitted each school year. They do not carry over from year to year.

## **Bullying Definitions & Reporting**

Emily Gray Junior High prohibits bullying in any form on school property, in a school vehicle, or at a school-sponsored activity or event.

"Bullying" is defined as: the repeated intimidation of students by the real or threatened infliction of physical, verbal, written, electronically transmitted, or emotional abuse, or through attacks on the property of another. It may include, but not be limited to actions such as verbal taunts, name-calling and put-downs, including ethnicity, sex, gender, body shaming, verbal put-downs, and extortion of money or possessions. Bullying can be physical in form (e.g. pushing, hitting, kicking, spitting, stealing); verbal (e.g. making threats, taunting, teasing, name-calling); non-verbal/ cyber-bullying (e.g. text messages, email, social networking-such as, but not limited to "SnapChat" or "BeReal" "TikTok"); or psychological (e.g. social exclusion, spreading rumors, manipulating social relationships).

## **Bullying Review Process**

Students have several options for reporting bullying:

- 1) Contact school administration at ANYTIME.
- 2) Report using Anonymous Tips online <https://egjh.tanqueverdeschools.org/anonymoustips>
- 3) Bully forms are located in the library and nurses office. Students should complete and submit the forms in these locations. The following procedures will be implemented in reviewing data:
  - School administration will collect and review "Bobcat Bully" forms.
  - Students will speak with the school administration for immediate threatening acts of bullying requiring discipline.
  - Administration will provide interventions to help students learn self control, conflict resolution and problem solving techniques.
  - Mandatory education/interventions and disciplinary action will be provided for repeat offenders.

## **ROAR: Responsibility, Ownership, Attitude, Relationships**

At Emily Gray Junior High School, we are committed to students building positive relationships and doing the right thing. Our students are encouraged to conduct themselves by the principles of ROAR.

ROAR is a Positive Behavior Interventions and Supports program that is student-centered. Students are encouraged to nominate classmates for demonstrating ROAR on campus. Students are rewarded and recognized for their ROAR behaviors. Each classroom has a ROAR box for student nominations. Teachers teach ROAR expectations in classes and use ROAR for classroom behavior interventions. ROAR expectations are also posted around campus.

## WIN TIME

WIN Time is 8th period, a scheduled time on Tuesdays and Wednesdays. WIN Time is learning extension time for all students. The purpose of WIN Time is to give students targeted intervention, or extension, and to work on identified concepts and skills of essential standards. Teachers stamp the calendar in Trackers and students are *required* to attend during 8th period.

## GRADING

The following are the grading scales used for grades and citizenship marks in all classes.

Mark / Explanation	Scale	Mark	Explanation
A - Excellent	90-100%	I	Incomplete
B - Above Average	80-89%	NC	No Credit
C - Average	70-79%		
D - Below Average	60-69%		
F - Failing	0-59%		

## CITIZENSHIP

Mark	Explanation
O	Outstanding
S	Satisfactory
N	Needs Improvement
U	Unsatisfactory

If the grade of *incomplete* is given, the student has 10 school days from when grades are due to make up the work or the grade will revert to the grade earned prior to the end of the grading period. Exceptions may be made at teacher/administrator discretion in long-term illness situations.

## STUDENT LEARNING

All of these expectations listed above are intended to promote student learning. At EGJH we value high levels of learning in every classroom. It is our goal for our students to be engaged and active participants in their learning. Teachers are committed to helping students achieve mastery of content in every subject. Your student should be able to answer these questions each day:

# WHAT

ARE WE LEARNING TODAY?

# WHY

ARE WE LEARNING IT?

# HOW

WILL I KNOW I'VE LEARNED IT?

**Grading Periods**

Grades (A, B, C, D, F) are given every nine weeks.

**Progress/Quarter Reports**

Students and parents access report cards via StudentVUE/ParentVUE. Students and parents are expected to monitor grading information through StudentVUE/ParentVUE on a regular basis, no less than weekly.

It is our purpose to educate students to meet competency standards. In an attempt to make sure all Emily Gray students are successful, teachers will clearly explain all standards and expectations.

**Homework**

The purpose of homework is to help students develop good study/work habits while reinforcing the daily curriculum being taught. Due dates are given to help students learn to manage their time and to assist parents in structuring home study periods. Students should assume that homework assignments are to be completed by the date specified by the instructor unless special arrangements have been made with the teacher. The student will be given the time equivalent to the length of the absence to make up missed work. For example, if the student is absent 3 days, the student has 3 days to make up the missed assignments. This applies only to assignments given during the absence.

**Retention and Failure**

When circumstances indicate that retention is in the best interest of the student, the student will have individual consideration, and decisions will be made only after a careful study of facts relating to all phases of the student's growth and development. The student's academic achievement level and academic ability are important, but physical, social and emotional characteristics are also important factors. A decision should be based on sufficient data, collected over a period of time and motivated by a desire to place students in school programs where they will be the most successful. Parents will be notified of the possible recommendation to retain. Students who fail an academic core subject may retake the course in summer school or be placed in supplemental courses the following school year.

**EXTRACURRICULAR ACTIVITIES AND ELIGIBILITY**

The following sports are available:

1st Quarter	2nd Quarter	3rd Quarter	4th Quarter
Flag Football	Boys Basketball	Girls Basketball	Boys Baseball
Cross Country			
Volleyball	Girls Soccer	Boys Soccer	Girls Softball

**Activities**

Athletic teams are limited in size and tryouts and cuts will apply to each sport. Students who make the team will only participate if eligible. All forms in the athletic packet must be on file prior to participation, including tryouts, practice, and competitions.

## Fees

The athletic participation fee is to be paid upon completion of tryouts. An athlete may not participate until the fee is paid.

## Extracurricular Participant Responsibilities

### Social Behavior

- Students who participate in extracurricular activities represent the Tanque Verde School District, therefore, they must display excellent citizenship, display respect for authority and use appropriate language at all times.
- If a student is assigned after school detention, detention takes precedence over competition and practices. If a student misses a detention the student is ineligible for competition until the detention is served.
- Athletes are expected to maintain excellent behavior during school, tryouts, practice, competition and while traveling. In cases of discipline, students suspended will not be eligible to go to practice or play in games while on suspension. In certain circumstances, students may be removed from the team.

## Academic Eligibility Requirements

Emily Gray Athletes should recognize that they are students first and athletes second. Eligibility checks will be done by the Athletic Director twice per season. Students must be passing all classes, receive no F's and maintain a C average (2.0 on a 4.0 scale) in all classes. The mandatory (5) five school day academic ineligibility period will begin on the next school day of the respective grading period.

## Regaining Eligibility

Students may petition for eligible status through the administration after five school days. Once eligibility status is regained, the student will remain eligible until the next grading period. Individual coaches, the athletic director, or school administration may institute more frequent grade checks as deemed necessary.

- First time ineligible athletes may **not travel** to away competitions or suit up for home competitions. They may practice.
- If an athlete becomes ineligible a second time that student may **not travel** to away competitions, may **not attend home** competitions, and may not practice.

Further ineligibility in the same season may result in an athlete being removed from the team.

## Attendance Eligibility

Students involved in extracurricular activities must attend a minimum of 50% of the number of classes they have scheduled on a given day in order to practice/compete/perform at that day's scheduled event (eg: athletic competition, fine arts performance, etc.). Any exception to this must be approved by school administration.

## **STUDENT TRANSPORTATION**

The safety of our students to and from school is our highest priority. It is the practice of Tanque Verde Unified School District to provide transportation for students of the District as follows:

- Students who live more than one mile from their school.
- Students living within the one-mile radius of their school are subject to routes that are hazardous or difficult and no other arrangements can be provided.
- Special education students whose disabilities require transportation as indicated in their individual education programs.

### **Student Pick-Up and Drop-Off**

For student safety reasons parents are not to enter the bus loop off of Tanque Verde Rd. Parents are also asked to avoid the transportation lot and transportation entrance area for pick up or drop off. Parents may use the north Emily Gray parking lot loop to pick up and drop off children, or the Tanque Verde Baptist Church parking lot loop off of Tanque Verde Loop Road. Please see our website for complete pickup and drop-off procedures pertaining to our two designated drop off areas.

8. Pets and animals are not allowed on the bus. Children must arrange for private transportation when carrying them to and from school.
9. Each student will assist the driver by placing litter in a trash receptacle designated by the driver.

## **Bus Discipline Plan**

If a student violates behavior or safety standards while riding the bus, the bus driver will prepare a "School Bus Incident Report." This report will be submitted for disciplinary action. A variety of consequences may be imposed to address the infraction:

- Counseling
- A conference and/or disciplinary action without loss of riding privileges.
- A conference and/or disciplinary action with a loss of riding privileges.

The consequences applied will depend on the severity of the infraction and the recommendations of the bus driver. Parents will be notified by telephone and/or in writing about the incident and the subsequent consequence(s). A student who feels he or she has been treated unfairly or unjustly punished under this plan may appeal to the school principal. If a hearing is requested, the student may be accompanied by the parents and/or legal counsel. The district personnel that will participate in the hearing include, but are not limited to, the bus driver who initiated the action, the Transportation Director, the Principal, and the Director of Student Services.

Students should not jump on each other, give piggyback rides, hug or touch aggressively or engage in potentially dangerous touching which may result in disciplinary referral.

### **Cheating/Plagiarism**

Cheating, plagiarism, and academic dishonesty are violations. Students who copy, submit, or claim credit for any work that is not their own will face consequences. AI writers, such as ChatGPT, SnapAI, or any other AI platforms, are prohibited to be used for the purpose of writing or completing any assignment in any subject. The use of AI writers will result in the same consequences as cheating/plagiarism. In addition, students who provide work for other students to copy will also face consequences. Students who engage in cheating, plagiarism, or academic dishonesty may lose credit for the assigned work or test as determined by the teacher. Cases will also be referred to administration for discipline for violation under the code of conduct. Discipline will be progressive with ongoing occurrences of cheating, plagiarism, or academic dishonesty.

## **Posters**

We encourage students to promote school clubs and activities on campus. Anyone wishing to put up posters and/or flyers on campus, or decorations on lockers must have approval from the principal. Posters and flyers may be dropped off with office staff for consideration. Plans for decorations must be approved by the principal. Administration reserves the right to remove any materials for any reason.

## **Care of Building and Grounds**

It is the goal of school administration to maintain a clean and inviting campus. No student shall damage or deface any property belonging to the District. The type of discipline that may be imposed for damage to school property by students depends upon the circumstances. Students may be subject to suspension for willful damage or destruction of school property.

If a minor engages in conduct that results in damage to District property, the District may institute formal charges for the purpose of having the court order the minor, or his parent, to make full or partial restitution to the District in accordance with the law.

Gum is not allowed on campus. Students using gum and/or disposing improperly of gum which creates defacement of school property will be referred to administration.

## **CODE OF CONDUCT**

The Code of Conduct provides students with expectations for appropriate behavior ensuring a safe learning environment for all. TVUSD strives to create a culture of learning with accountability for students who choose not to follow the Code of Conduct. This Code of Conduct will be applied to all students. Every effort is made to utilize methods of positive reinforcement concerning student behaviors. We will partner with parents to develop behavior solutions when students violate this code of conduct. School administration may increase the level of intervention using this code of conduct and the interventions described therein. Infractions resulting in a violation of student health, safety or the law, may be referred directly to school administration or law enforcement. Emily Gray Junior High will use the Tanque Verde Unified School District Code of Conduct as a guide for consequences resulting from student disciplinary infractions. The code of conduct can be found on the Emily Gray and District Websites.

### **Detentions**

A student may receive a lunch or after school detention (3:20-4:30pm) for infraction of school rules, misbehaving while a guest teacher/substitute is employed, and for not having their Tracker in class (including WIN Time). If a student is issued 5 detentions during the school year, every infraction thereafter, the student may be issued in-school suspension (ISS) for the entire day. Please help us keep students accountable by not making appointments, etc. on the day your child serves detention.

Students are to be silent during detention, working on school assignments or reading. All electronic devices must be powered off and put away during detention. If a student has a missed detention they will not be allowed to go on extracurricular or field trips. If a student misses detention, they will be assigned another detention in addition to serving the missed detention.

### **Student Suspensions**

Information regarding short term and long term suspensions are based on the discipline matrix that can be found on the Emily Gray and TVUSD websites.

### **Harassment**

Under no circumstances does the Tanque Verde Unified School District tolerate behavior from students or staff members which promotes the negative depiction of any person or group of people. Racism, discrimination and any form of harassment are unacceptable at our schools. TVUSD Non-Discrimination Notice can be found on the website in the Code of Conduct.
