2.MD.8a- money word problems

This week, we will be working on word problems. Students will add and subtract coins and bills to solve problems. Here is an example of a money word problem: "Johnny had 3 quarters. He found 3 pennies, 2 nickels, and 1 dime. How much money does Johnny have now?" Tuesday night's homework will reflect the different types of word problems we are working on at school.

Homework- Tuesday night

IXL Suggestions- any AA or BB skills
