CHECKLIST

Before submitting your application, please do a final check to make sure that all the necessary documents are included. Incomplete applications and/or applications that are not completed according to the instructions will not be considered.

- Include an acceptance letter from the college you plan to attend, if you are not currently enrolled. If you are a high school senior and have not received your acceptance letter, please list the name of the college to which you applied with a note explaining that you have not yet received your letter. If you are selected as a recipient, you will be asked to provide one before the scholarship funds will be released.
- Include a current official school transcript.
- Include at least one letter of recommendation, but no more than three.
- All blanks on the Student Information page must be completed. If any data requested does not apply to you (for example, if you do not have an email address), put N/A (not applicable) in the blank.
- In your essay, **do not include** any indication of who you are, where you live or where you attend school. Any such references will immediately disqualify your application. Also, do not include your name anywhere on your essay. This includes headers, footers and page numbers.
- Essay must be typed and double-spaced. No exceptions.
- Essay must be printed on one side of the paper; do not print on the back. Use only plain white paper when printing.
- Essay must be 1,500 words or less. Be clear and concise.
- Proofread your essays before submitting your application. Points will be deducted for grammatical errors and misspelled words.
- Do not staple your essay.**
