BOARD GUARANTEE (Adopted May 2006)

We have been elected by the members of our community and choose to serve our fellow citizens to deliver the best possible programs and services to our children.

Therefore, we guarantee that:

We will serve with pride. We have been given the opportunity to make a difference in the lives of children and the quality of life in our community, and we are proud to accept that challenge.

We will treat students, parents, citizens, staff and fellow board members with dignity and respect.

We will be informed, knowledgeable and prepared before making decisions that affect the education of students. We will stay up-to-date so that our decisions will be based on the most recent information. We will model our belief that learning is a lifelong process.

We will do our part to work as a team with administrators, teachers, support staff, parents, students and citizens so that the entire learning atmosphere of our school will be one of warmth and caring. We will do this by becoming a part of district committees such as cross-functional, professional governance council (PGC) and many more.

We will maintain the policy making role of the Board and represent this to the constituents of the district by informal communications and referral to the proper channels for consideration of concerns and suggestions.

We will be enthusiastic and energetic in our support of the work in our schools by students, staff and volunteers. We will model this behavior by attending school sponsored events and working toward board certification through class work.

We will represent and reflect all segments of the community and base our decisions on sound policy and ethical principle that is in the best interest of all students. We will do this by basing our decisions on data and survey work on an annual basis. We will also take the time to have formal and informal conversations with our community.

Board of Education Meeting – BUDGET HEARING
June 28, 2023
Report 22-146

FOR INFORMATION

Subject:

Public Budget Hearing

Recommendation:

Recommend that the Board of Education officially hold a budget hearing disclosing the proposed millage that supports the budget resolutions being asked to be approved by the Board for the 2023-24 fiscal year.

Statement of Purpose/Issue:

The purpose is to meet the requirements of the Michigan Department of Education and the Board of Education by holding a public hearing prior to adoption of the 2023-24 budget. This hearing must be held before the adoption of the budget and shall include the topic of the proposed property tax millage rate. A notice has been published in the paper that the budget would be discussed at this meeting as well as the millage that supports the budget. A signed affidavit to this effect will be received from the Argus Press, the paper of general circulation utilized for the notification.

Facts/Statistics:

- The Board of Education must hold a public hearing on its budget prior to adoption. Taxation issues, including millage rates, will be a subject discussed during this hearing. Specifically addressed will be the *Headlee* Amendment and the Uniform Budgeting and Accounting Act (Truth in Taxation, section 16).
- The purpose of the *Headlee* amendment is to protect Michigan taxpayers against excessive state and local taxation. *Headlee* requires voter approval of any new or increased local tax, **and contains a special limit on property tax increases caused by property tax assessment growth.**
- This year the *Headlee* amendment will not result in roll-back since the millage reduction factor (MRF) calculation resulted in a factor of 1.0. The approved operating millage will be the same as last year of 18.1020. However, since the District may not, by law, levy a millage in excess of 18.0000 mills, the District may still only levy the full 18 operating mills on eligible property.
- The Sinking Fund assessment will also not be subject to Headlee rollback with a MRF calculation of 1. The millage rate of 2.0000 mills, approved by the voters in August of 2018, was reduced in previous years due to the Headlee rollback. For the 2023 taxation year, the sinking fund millage will remain the same as in 2022 at **1.9588**.
- Truth in Taxation states that a district is not allowed to collect more in taxes than 5% or the rate of inflation, whichever is less, without a public hearing. The millage rates that are imposed by the school district must be adjusted accordingly.
- The voters passed a bond in November of 2017 for which the sixth assessment will take place in December of 2023. The calculated millage to service the date has been calculated at 4.70 mills (a decrease of .03 mills from the previous year).
- In summary the following millage rates will be considered approved and assessed on eligible property for the Winter tax assessment in support of the 2023-24 proposed expenditures:
 - Operating millage (renewed in May of 2013)– **6.000 mills** for commercial personal property, **18.0000 mills** for all others
 - Sinking Fund millage – **1.9588 mills** (approved by the voters in August of 2018)
 - Debt Millage – **4.7000 mills** (approved by voters in November of 2017)
