

Denise Barbieri—

I love Jesus. I listen to K-love. I go to church weekly. But something was missing. I wanted a Bible study to try to deepen my knowledge and relationship with HIM. So one day, 5 years ago, Stephanie asked me to come to Mom Cafe. I thought, hmmm.. all those moms, is it going to be cattie? I'll try it. Best Decision Ever. This all-inclusive group of ladies understand each other's differences. We look into the Bible and with each study I learn more about God and His Grace, which I am so thankful for. I learn from each of these women as we discuss trials God helps us each through. I have made some great friends with women that really care. I also have realized that when you're most vulnerable, the spirit of God is there to help you grow into deeper relationships with the people He places in our lives to help. I love these women. I'm so grateful that God gave me the courage to say, 'Yes' that day 5 years ago.

"MOM Cafe has been a blessing to me! I have connected with woman I would have never have met on my own. It is not about how much of the Bible you know, but connecting with woman and to grow your faith no matter where you are in your faith journey!"

"At first, I was hesitant to step out of my comfort zone and join a ministry group. However, I felt the Spirit kept placing it on my mind. I joined MOM Cafe because I was looking for an intentional way of becoming more connected to the

Word and a community of women. What a great journey it has been. The women in this group have been an amazing support system for me and my family. Being in prayer and fellowship with them has been a true blessing!"

Julie Palbicki—

"For so many years I had longed for connection with other moms. God brought me to Mom Cafe at the exact time I needed this amazing community of women. I have developed deep, lasting friendships because I know that Jesus is at the heart of our relationship. Prayer, time in the Word and time to share what we are all going through makes this group one of the things I look forward to most each week. We laugh, we cry and most of all we point each other to Jesus! There is a spot at the table for you, too!"
